CANBERRA NAMED *World's 3rd Best City*

TO VISIT IN LONELY PLANET'S BEST IN TRAVEL 2018.

CANBERRA:
highest ever ranked Australian city in this annual list.

Lonely Planet thinks that our little city packs a big punch naming Canberra the number three city to visit in the world in its 'Best in Travel Top Cities' list for 2018.

Best in Travel 2018 is Lonely Planet's annual agenda-setting collection of the world's hottest destinations, experiences and trends for each upcoming year. Canberra has ranked higher than any Australian city has ever been ranked before in the travel publisher's annual Top 10 Best in Travel lists.

Lonely Planet said Canberra has a new lease of life, a unique sense of style, cool bars, cafes and endless family friendly entertainment.

We are world-class Canberra!

MESSAGE FROM THE CHIEF MINISTER, ANDREW BARR

There are many reasons to be proud of our city and last month we felt particularly proud of how Canberrans responded to the marriage equality postal survey.

The national vote was a resounding yes, but the ACT stood out. We had the highest response rate of any jurisdiction at 82.4 per cent, which demonstrates how much Canberrans care about the future.

And we had the highest yes vote proportional to population at 74.1 per cent of any jurisdiction, demonstrating how inclusive Canberrans are.

Fairness and equality are at the heart of Australian society. Canberrans have voted for all Australians to have the same opportunities for love and happiness.
