

# OUR CANBERRA

Woden, Weston Creek and Molonglo edition

June 2018

## USING GREEN BINS

Green waste collections in the Molonglo Valley will start July 2019

Green waste collections are now operating in Weston Creek and Tuggeranong. If you haven't registered yet, you still can online.

Green bins are for garden waste only and collections are fortnightly. A one-off registration fee of \$50 applies. Eligible concession card holders are exempt from payment.

Here's a reminder – your green bins can only be used for the following items:

- > Prunings
- > Leaves
- > Grass clippings
- > Weeds
- > Flowers
- > Small branches no longer than 45 centimetres and a diameter of 10 centimetres.

**i** For more information on green bin services, visit [tccs.act.gov.au](http://tccs.act.gov.au) and search 'green bins'.

### In this issue:

- > New smarter street light network
- > New hospital Open Day 16 June
- > Quicker, more frequent bus network coming

## AGE-FRIENDLY HUGHES

Upgrades are underway in Hughes as part of the Age-Friendly Suburbs project.

These upgrades will make crossing roads safer and more accessible for the whole community, but especially for seniors and people with limited mobility.

Refuge island improvements will be made at Carruthers Street and Kent Street and a new refuge island will be provided on Groom Street.

**i** For more information visit [yoursay.act.gov.au](http://yoursay.act.gov.au)

## MESSAGE FROM THE CHIEF MINISTER, ANDREW BARR

Access to affordable housing is an important part of a caring society. As Canberra continues to grow, we're making sure everyone can access the right housing choices for their stage of life.

A new government program will soon be offering affordable new homes at capped prices in Coombs, Wright, Greenway, Lawson and Taylor.

To ensure these homes go to the people who need them most, applicants must meet a set of criteria.

You can find out more or register your interest at [act.gov.au/affordablehomepurchase](http://act.gov.au/affordablehomepurchase)

For more stories and information from across Canberra visit [act.gov.au/our-canberra](http://act.gov.au/our-canberra) or follow us on social media.

**YOURsay**

For information on community consultations in Canberra, visit [yoursay.act.gov.au](http://yoursay.act.gov.au)

## PROTECTION AGAINST the FLU

Now is the time to get your yearly flu vaccination.

It's the best way to protect yourself, your family and friends against the flu.

The flu vaccine is recommended for everyone 6 months of age and older and is free for people who are at higher risk of complications from flu.

**i** For more information visit [health.act.gov.au](http://health.act.gov.au)

If you have flu-like symptoms, visit your GP or a Walk-in Centre.

## ELECTRIC by 2021

A new action plan has been prepared to support the transition to zero emission vehicles.

The plan calls for the set-up of charging infrastructure in new buildings and an all-electric vehicle fleet for the ACT Government.

Zero emissions vehicles emit less air and noise pollution and have lower running costs. In the ACT, they also don't incur stamp duty and receive a 20% discount on registration fees.

**i** Read or download the e-vehicle action plan at [environment.act.gov.au](http://environment.act.gov.au)

## NEW SMARTER STREETLIGHT NETWORK

Streetlights across the ACT are being upgraded under a new streetlight arrangement.

Electrix is now contracted to maintain, upgrade and power the ACT's 80,000 streetlights. Electrix will replace old and inefficient incandescents with LEDs, vastly improving the energy efficiency of our streetlights.

**i** To report damage or faults with streetlights, lodge a 'fix my street' request form at [act.gov.au/accesscanberra](http://act.gov.au/accesscanberra)

## MENTAL HEALTH COMMUNITY CARE SPACE

Canberra's Wellways 'Adult and Youth Step Up Step Down' service is helping people stay closer to their families, while receiving mental health support.

The Wellways service offers two homes, one on the northside and the other on the southside of Canberra. These homes provide flexible mental health support for up to three months for people who have been discharged from hospital, or don't need hospital based care. It means they can stay closer to their family and friends in a more comfortable environment, rather than a clinical setting.

**i** For more information visit [wellways.org](http://wellways.org)

## QUALITY BUILDING for OUR VIBRANT CITY

Building licence requirements will be strengthened to support construction quality and community confidence across the sector.

From next year, up to 20 per cent of all builders seeking to renew their licences will need to pass a test. This will ensure their skills and technical knowledge are to the standard expected by government, regulators, industry and the community.

Builders subject to complaints about building quality will also be targeted.

**i** For more information visit [act.gov.au/cbrqualitybuilding](http://act.gov.au/cbrqualitybuilding)

## QUICKER & MORE FREQUENT BUSES

As part of community consultation last year, you told us you want quicker and more frequent public transport and more services.

You also told us you want transport information available via mobile apps and digital displays.

We've listened and we're now working on a more frequent seven-day network that will integrate light rail and nine Rapid bus routes, connecting town centres and major employment hubs.

**i** For more information on the consultation findings visit [yoursay.act.gov.au](http://yoursay.act.gov.au)

## TRIM TREES AND BUSHES

**Residents must ensure trees, bushes and branches within properties do not overhang nature strips, paths and verges.**

Overhanging foliage can be unsafe if they block access and line of sight. Fines may apply if residents don't comply.

**i** For more information visit [tccs.act.gov.au](http://tccs.act.gov.au)

## NEW HOSPITAL OPEN DAY 16 JUNE

Canberrans are invited to visit our city's brand new hospital before it opens.

The University of Canberra Hospital: Specialist Centre for Rehabilitation, Recovery and Research, will hold an open day on Saturday 16 June between 11.00am and 4.00pm.

See the purpose built therapy gyms and rehabilitation facilities. Meet specialist health professionals. Enjoy a sausage sizzle and live music.

**i** For more information visit [health.act.gov.au/uch](http://health.act.gov.au/uch)

## GET TO KNOW YOUR NEIGHBOURHOOD

## EDDISON PARK

Woden's Eddison Park is a slice of Canberra's history, taking its name from the family who farmed the land in the early 1900s.

The park features a skate park, play and fitness equipment, and a disc golf course. Enjoy the winter sunshine with a walk through leafy green spaces and relax under sheltered picnic areas.

**i** For more information on this and other parks and reserves visit [environment.act.gov.au](http://environment.act.gov.au)

## HOLDER WETLANDS

The new wetlands at Holder are taking shape. Construction should wind up during winter and, come spring, it will be time for planting.

The wetlands is part of the ACT Healthy Waterways project to improve the quality of water flowing into our lakes and waterways and downstream into the Murrumbidgee River.

**i** For more information visit [act.gov.au/h2ok](http://act.gov.au/h2ok)

# BATTERY REBATES LOWER BILLS

Combining battery storage with your rooftop solar system is a fantastic way to have a supply of clean energy when the sun isn't shining, and reducing your energy bills.

With battery storage, you can save at peak times when it's most expensive to buy from the grid.

The Next Generation Energy Storage program is supporting the installation of up to 5,000 battery storage systems in homes and businesses across Canberra. The program provides around \$4000 in support for the average residential system, but can vary depending on the size and type of system installed.

 For more information visit [actsmart.act.gov.au](http://actsmart.act.gov.au)

## WINTER ENERGY SAVING

Reduce energy use this winter by opening curtains during the day and closing them at night, and closing doors to rooms that don't need heating.

 For more handy tips, visit [actsmart.act.gov.au](http://actsmart.act.gov.au)

# 10C REFUND for DRINK CONTAINERS

Start collecting Canberra. From 30 June you can receive a 10 cent refund for any empty eligible drink containers.

The new ACT Container Deposit Scheme reduces litter and rewards consumers who recycle their containers through the scheme.

Charities, schools and community groups can also use the scheme to raise funds for their organisation. Collection points will be located across Canberra.

 For more information visit [actcds.com.au](http://actcds.com.au)

# GROWING SERVICES in OUR CITY

As Canberra grows, the Government is working hard to make sure the key services you rely on, get better.

These services will be at the heart of the 2018/19 ACT Budget, which will be released on Tuesday 5 June.

Also keep an eye out in your letterbox during June for more information on how this year's Budget benefits your region.

 For more information visit [act.gov.au/budget](http://act.gov.au/budget)

For more stories and information from across Canberra, visit [act.gov.au/our-canberra](http://act.gov.au/our-canberra) or follow us on social media.
