AMAROO SCHOOL EXPANSION UNDERWAY

Learning areas and sporting infrastructure at Amaroo School is being expanded to cater for 300 future Gungahlin students.

There’ll be an expansion to the existing gymnasium, including new outdoor hard courts and landscaping.

The new facilities will not only benefit students at Amaroo School, but the wider Gungahlin community with local sports and community groups able to use the expanded gym and outdoor courts after hours.

Students and the community will be able to use the new facilities from the start of the 2018 school year.

MESSAGE FROM THE CHIEF MINISTER, ANDREW BARR

Housing affordability and homelessness are important topics for many Canberrans and we want to hear from you about what more the Government can do.

We’re working on a new housing strategy that will aim to reduce homelessness, strengthen social housing assistance, increase affordable rental options and improve pathways to affordable home ownership.

Suitable and secure housing is an important foundation for full and active participation in our community. Without it, individuals and families may become isolated and excluded and the adverse consequences of this can be long-term and intergenerational.

We want your ideas to help shape our thinking.
Visit yoursay.act.gov.au/affordablehousing to have your say.

UPGRADES FOR GUNGAHLIN DOG PARKS

Canberra’s six dog parks have been improved to increase safety, comfort and fun for dogs and their owners.

Two new water stations were installed at the Casey dog park and new mature trees will improve shade.

There’s a new perimeter fence and entry enclosure at Forde dog park. Some dog exercise equipment has been removed, based on the advice from our dog behaviour specialist.

Thanks to the 580 Canberrans who provided feedback during consultation to identify dog park upgrade priorities.

> Canberra student competes on the world stage
> New Gungahlin bus station in 2018
**CBR IS AUSTRALIA’S EDUCATION CAPITAL**

Canberra has been ranked in the top 20 student cities in the world. Our city is also home to the top-ranked university in Australia. Around 64,000 tertiary students are educated in Canberra, including about 14,000 international students and a similar number from interstate. One in six people in Canberra, study or work in tertiary education.

In this year’s Budget, there’s more resourcing to promote Canberra as Australia’s study destination of choice, in partnership with our strong tertiary institutions.

**CBR NEEDS FOSTER CARERS**

Foster carers come from all walks of life. Couples, families, singles, LGBTI and all religions and cultures.

No matter how much time you have to give—from one weekend a month, one year, or indefinitely, you can change a child’s life.

ACT Together is looking for foster carers and stable homes for children and young people. If you know that if you hit a kangaroo and are injured, you are not covered under CTP? We’re holding the ACT’s first citizens’ jury in October to consider improvements to the CTP scheme. The jury of everyday Canberrans will be helped by experts and will consider the views of the wider community.

Have your say at yoursay.act.gov.au/ctp and learn more about our current scheme and how citizens’ juries work.

**CBR NIGHT CREW KEEPING REVELLERS SAFE**

A new ACT Government program run by volunteers will help young people have a safer night out in our city.

The CBR Nightcrew Safe Space sets up near the City Bus Station on Friday and Saturday nights. Volunteers provide advice and assistance for safe transport options, basic first aid, water for hydration, and mobile phone charging, so that revellers can contact friends or arrange a lift home.

The marquee is staffed between 10pm and 4am on Friday and Saturday nights until April 2018.

**COMMUNITY RAISES FUNDS FOR THE COTTAGE**

The Canberra community has raised $100,000 to refurbish The Cottage, an adolescent mental health day program, located on the Calvary Hospital campus at Bruce.

The Cottage aims to reduce the severity of mental health symptoms experienced by young people in Canberra. The refurbishment provides a safer and more welcoming environment for young people to receive treatment. Foster life skills, improve at school, and manage social interactions and relationships.

For more information search ‘The Cottage’ at health.act.gov.au

**LOCAL ARTISTS SHOWCASED ON CANBERRA’S LIGHT RAIL**

Canberra’s light rail artwork has been revealed. Passengers will be able to enjoy art by two talented local artists, Aboriginal elder Uncle Jimmy Williams and artist Hannah Quinlivan.

Uncle Jimmy Williams’ artwork will feature on the light rail seat fabric and on new buses. It depicts the flight of the bogong moth, an insect that is culturally significant to the local Ngunnawal People. Hannah’s work (pictured) is a continuous pattern representing human movement. It will feature on the glazed screens at each platform.

For more information visit transport.act.gov.au/light-rail-network

**NEW GUNGAHLIN BUS STATION IN 2018**

A new bus station is coming to Gungahlin Place in early 2018, between Hibberson Street and Ernest Cavanagh Street. Bus services have resumed through the Gungahlin Town Centre after early construction works. Eastbound buses now use the stop on Hibberson Street at The Marketplace, while northbound buses will continue to use the temporary Goazzard Street bus stop.

For more updates on roadworks in Gungahlin visit transport.act.gov.au

**PLAY TIME SHADED**

Before the weather starts to warm up, shade sails have been installed at five Gungahlin playgrounds.

Playgrounds on Paul Coe Crescent in Ngunnawal, Neil Harris Crescent in Forde, Tanami Street in Harrison, Kosciuszko Avenue in Palmerston and at the Crace CRIP have now added protection from the sun.

Get outdoors and enjoy your local neighbourhood playground today.

**Support for Our Students**

Canberra public school students are getting better access to mental health support. Five more school psychologists will join ACT public schools in 2018, and an extra 15 school psychologists will be employed over the next four years.

School psychologists play an important role in student learning, wellbeing and mental health. The increase will help address the social, emotional and learning needs of Canberra students and our school communities.

IT'S FLORIADE'S 30TH BIRTHDAY IN 2017
16 SEPTEMBER TO 15 OCTOBER, COMMONWEALTH PARK

Floriade will be celebrating its milestone birthday in style this year.
Explore more of the one million bulbs and annuals with extended opening hours from 10am to 7pm each day. Discover stunning sculptures around every corner. Enjoy exclusive access to the festival at an inaugural opening night concert, as the Canberra Symphony Orchestra take to the stage with the Ziggy Band to showcase the best of David Bowie.

For more information and tickets visit floriadeaustralia.com

THIS WOMEN’S HEALTH WEEK—FIND TIME FOR YOU
4-8 SEPTEMBER

This Women's Health Week, mothers, daughters, aunts and sisters are being encouraged to put themselves first and dedicate some time to their health and wellbeing.

If you have any health appointments or matters you’ve put to the side, make this week the time follow up.
The ACT has a dedicated Women’s Health Service offering free nursing, medical, nutrition and counselling to eligible women.

Spring is in the air and so are the magpies.
During breeding season magpies may swoop people and animals in the area of their nests. Follow these simple precautions to help avoid being swooped:
> walk through the magpie’s territory quickly, but don’t run
> take a different route next time
> protect your head with an umbrella, hat or helmet and your eyes with glasses
> look towards the magpie
> attach flags or streamers on a stick to your backpack or bike.

The ACT Government places warning signs in troublesome areas. Other areas can be reported to Access Canberra on 13 22 81.
