

OUR CBR

Gungahlin edition

The Gungahlin community's response to COVID-19 has enabled the careful easing of restrictions, without putting a strain on our health system.

DON'T LET COMPLACENCY SET US BACK

REMEMBER TO:

Stay 1.5m
apart if
possible

Wash your
hands
regularly

Stay at home
if you're
unwell

Get tested if
you have any
symptoms

→ Keep up-to-date at covid19.act.gov.au

Message from the Chief Minister

The ACT community has responded well to the initial stages of the COVID-19 pandemic.

However, the pandemic isn't over. There is a long way to go, and the ACT Government will support the ACT community and protect as many local jobs as possible.

We all have a role to play. Physical distancing, good hand hygiene and staying at home if you are unwell are the best ways that we can all reduce the risk of future outbreaks.

The Government has now opened up more COVID-19 testing facilities in **Belconnen**, **Garran** and **Kambah** to go along with our testing sites at the **Weston Creek Walk-in Centre** and the drive through facility at **EPIC**. Please get tested if you have any symptoms of the virus.

The future of Canberra's businesses

is in your hands

**SUPPORT
LOCAL**

Support from the Canberra community has ensured people have jobs to go to, suppliers have orders to fill, and businesses have customers to serve. Local businesses still need your help.

Every decision you make on how to spend your money has the potential to help Canberra recover from COVID-19.

Find support if you need it

While COVID-19 is something we can't see or touch, it's had a deep impact on our mental health and wellbeing. Remember to reach out for help if you need it.

Travelling to and from COVID-19 affected areas

Canberrans are urged not to travel to areas where COVID-19 outbreaks are occurring. Currently this includes all travel to Victoria, and some locations across New South Wales.

A series of self-quarantine requirements are now in place for people who need to travel to the ACT from COVID-19 affected areas.

Better school services

Providing more regular route services, faster school specials, timing improvements to match bell times, and bus stop improvements to make it easier for students to travel to and from school.

More public transport services for Gungahlin

Canberrans now have access to 692 more services each weekday and significant improvements across the city with the updated public transport network.

The updated network has more direct routes, more frequent services, and local buses every half-hour during the week.

Weekday improvements

- 692 extra services each weekday (up 17.5%)
- local buses from Crace, Palmerston and Nicholls to the Belconnen Town Centre
- more morning light rail peak services on weekdays and earlier Sunday services from 7am
- easier to get to Mitchell with route 18 extended to Dickson
- more bus stops in Taylor for route 25/26
- local buses every 30 minutes all day
- increased light rail frequency to every 5 minutes in AM peak.

More weekend services will start by Term 4.

Travel tips

Plan your travel

Use the online TC journey planner for the most convenient and fastest services for you.

You can also check if your bus is wheelchair accessible and if it has a bike rack.

Pick the quietest times to travel

Check out the new travel dashboard on the Transport Canberra website.

Off-peak is cheaper

Want to save around \$300* a year on your fares? Travel is cheaper with MyWay and even cheaper off-peak.

Discounts apply 9am – 4.30pm weekdays, after 6pm and all weekend. Save an extra 5% with autoload. Free off-peak travel with a Seniors MyWay Card.

*Based on an adult fare, travelling 5 days a week, all year round.

MyWay or pre-paid tickets only – no cash

Transport Canberra is currently not accepting cash on board as we respond to COVID-19. Travel is also cheaper with MyWay cards.

COVID-19 restrictions may have eased but your responsibility hasn't.

Avoid travelling during the peak.

Maintain good hand hygiene

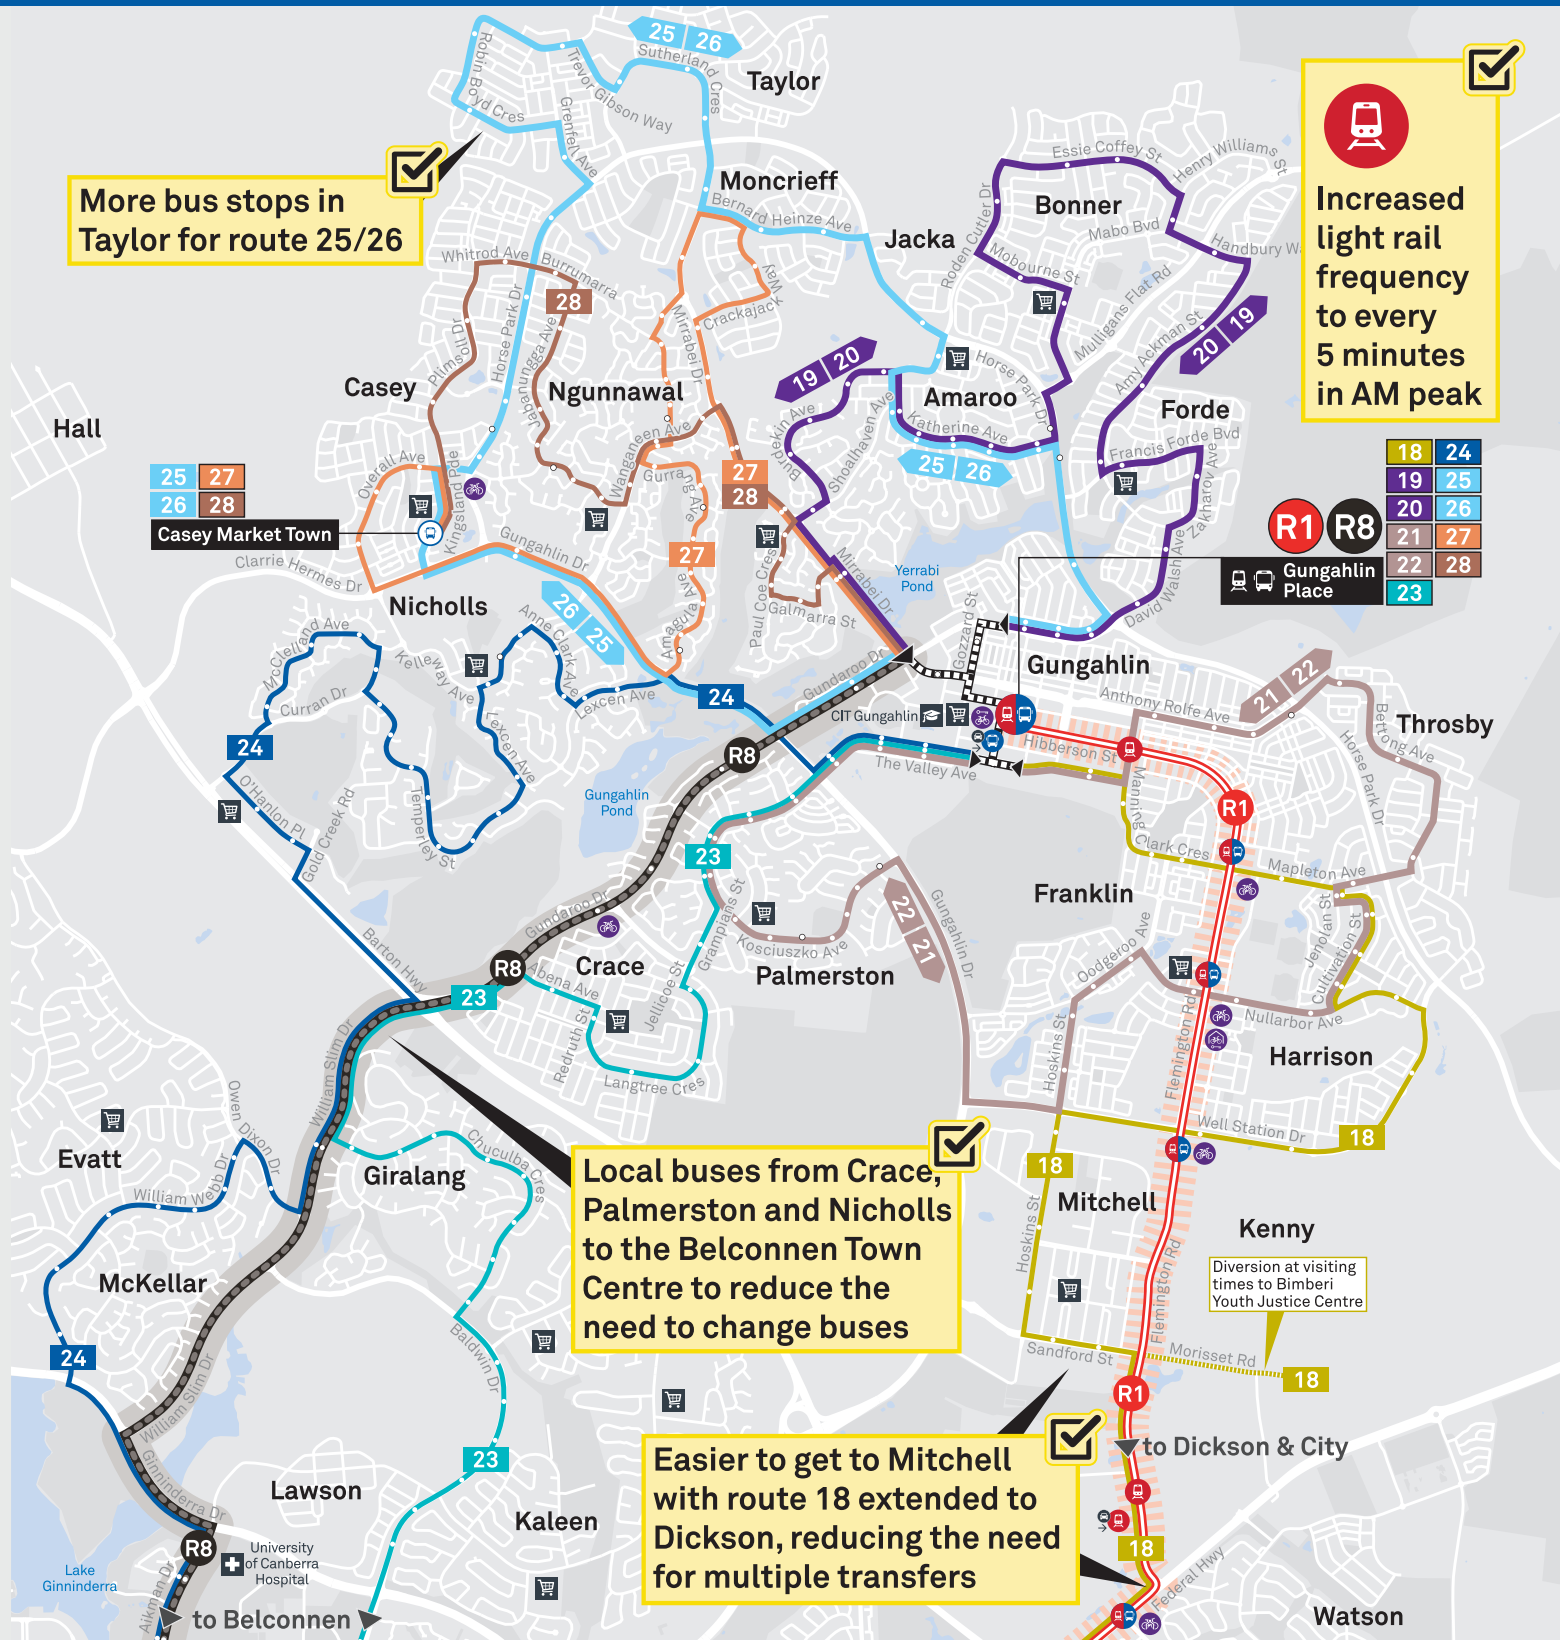

Stay 1.5m apart

Stay home if you are unwell
