INFORMED CONSENT INFORMATION

Attachment A – Consent to provide, release and share information

This form is for participants who would like to access the Integrated Service Response Program and is about seeking agreement (called informed consent), for them to provide information and to release and share information about the participant and family.

As part of working with participants, the Community Services Directorate will ask personal information about their circumstances. **There are laws that protect how this information is used. It is very important for participants to know that we would not use any information without asking for their consent, except if we are required to do so under the law, or in exceptional cases to lessen or prevent a serious threat to life, health or safety of any individual, or to public health or safety.**

To make sure the participant receives the support that is needed, we may involve other services that are provided by the ACT Government or by community organisations. This may mean that we would share some information about the participant with other areas of the Community Services Directorate (e.g. Housing ACT; Child, Youth and Families, Office for Disability). We may also need to share some of the participant's information with other government agencies or community organisations that provide support.
