

Employability Statement (overseas applicants only)

Name:

Date:

Explain the research undertaken of the ACT labour market:

Explain how your skills and experience align with the ACT economy:

Please note: overseas experience in heavy industry, manufacturing, production, mining, shipping, gas and oil, head office banking and railways are not generally considered relevant industries given the structure of the ACT economy, which is primarily knowledge-based.

You must attach at least 3 recently advertised positions in the ACT in your nominated occupation, that you are eligible to apply for. You may not be eligible to apply for positions within the Australian Federal Government due to citizenship / security clearance requirements.
