

08 June 2022

Dear Neighbour/Tenant

WORKS UPDATE

This notice is an update to the information provided to you on 24 May 2022.

Launceston Street Out of Hours works rescheduled

Canberra Contractors has been engaged by the ACT Government to deliver local road, intersection upgrades and new bus driver facilities as part of the CIT Campus – Woden project. These works will support construction of the new Woden public transport interchange on Callam Street.

Due to the ongoing wet weather throughout May and early June 2022, the planned Out of Hours works on Launceston Street will need to be **rescheduled**. Newly proposed Out of Hours works captured in the table below:

Updated Out of Hours schedule	
Friday 17 June 2022	11:30 pm to 6:00am
Saturday 18 June 2022	11:30 pm to 6:00am

Every effort will be made to meet the above updated Out of Hours dates, however, we may need to reschedule again if wet weather continues to impact the completion of these works. In this instance, the Out of Hours works will occur over the following back-up dates:

Back-up Out of Hours schedule	
Friday 24 June 2022	11:30 pm to 6:00am
Saturday 25 June 2022	11:30 pm to 6:00am
Friday 1 July 2022	11:30 pm to 6:00am
Saturday 2 July 2022	11:30 pm to 6:00am

Out of hours works will include:

- demolition of existing road kerbs and pavements
- use of a hydro-vacuum truck for excavations and investigations
- upgrading existing pavements
- installation of traffic lights and streetlights
- traffic sign posting and line marking
- service excavations for stormwater, watermain and electricity

Construction impacts

Every effort will be made to minimise disruption during these works; however, we anticipate:

- noise typical of a construction site
- parking restrictions
- traffic disruptions, including temporary speed reductions
- pedestrian and cyclist changes, including footpath closures and detours

We will endeavour to minimise noise impacts where possible by:

- turning off equipment and vehicles when not in use
- directing noisy equipment away from residences and businesses where possible

If you have any questions or would like to know more about the works, please dial 02 6130 0524 to speak with a Site Representative from Canberra Contractors or email us at mail@canberracontractors.com.au.
