via email: Schedule 2.2(a)ii

Dear Schedule 2.2(a)ii

## **FREEDOM OF INFORMATION REQUEST**

I refer to your application under section 30 of the *Freedom of Information Act 2016* (the Act), received by Major Projects Canberra (MPC) on 13 December 2024, in which you sought access to:

*A list of the name of all tenders for the last two years (1/1/2022 – 31/12/22 and 1/1/23 – 13/12/23) where the final decision maker was the Chief Project Officer.*

### **Authority**

I am an Information Officer appointed by the Chief Projects Officer under section 18 of the Act to deal with access application made under Part 5 of the Act.

### **Decision on access**

While MPC does not maintain data on the number of procurement related decisions a delegate makes, searches were completed by the relevant teams to identify any tenders that would fall into the scope of your request. These tenders were approved by the Chief Projects Officer either as final delegate, or via Internal Brief. A list of the relevant tenders is included at attachment A of this correspondence.

### **Statement of Reasons**

In making my decision on disclosing government information, I must identify all relevant factors in schedule 2 of the FOI Act and determine, on balance, where the public interest lies. In reaching my access decision, I have taken the following into account:

#### **Factors favouring disclosure in the public interest (Schedule 2, Section 2.1)**

- Section 2.1(a)(i) - promote open discussion of public affairs and enhance the government's accountability;
- Section 2.1(a)(iv) ensure effective oversight of expenditure of public funds;

### **Online Publishing – Disclosure Log**

Under section 28 of the Act, MPC maintains an official online record of access applications called a disclosure log. Your original access application, my decision and documents released to you in response to you access application will be published in the MPC disclosure log three (3) to ten (10) working days after the date of the decision. Your personal contact details will not be published. You may view the MPC disclosure log at [FOI disclosure log - Major Projects Canberra \(act.gov.au\)](https://www.act.gov.au/foi-disclosure-log-major-projects-canberra).

## **Ombudsman Review**

My decision on your access request is a reviewable decision as identified in Schedule 3 of the Act. You have the right to seek Ombudsman review of this outcome under section 73 of the Act within 20 working days from the day that my decision is published in the MPC disclosure log, or a longer period allowed by the Ombudsman.

If you wish to request a review of my decision you may write to the Ombudsman at:

The ACT Ombudsman
