Statement of Reasons

In making my decision on disclosing government information, I must identify all relevant factors in Schedule 2 of the Act and determine, on balance, where the public interest lies.

In reaching my access decision, I have taken the following into account:

Factors favouring disclosure in the public interest (Schedule 2, Section 2.1)

- *Section 2.1(a)(i) – promote open discussion of public affairs and enhance the governments accountability,*
- *Section 2.1 (a)(ii) contribute to positive and informed debate on important issues or matters of public interest, and*
- *Section 2.1(a)(iii) – inform the community of government operations.*

I am satisfied that these are relevant considerations favouring disclosure in this case, and in the interests of enhancing open discussion, I afford them significant weight.
