JANUARY/FEBRUARY 2016

“HAVE
YOUR
SAY

ON CITY AND GATEWAY URBAN RENEWAL

A new ‘City and Gateway Corridor’ urban renewal strategy is now available online and you’re invited to have your say.

In the discussion paper you’ll read about proposals for the future character of the City and Northbourne Avenue corridor, including **streetscapes, public spaces and landscape improvements**. It also provides a framework for urban redevelopment, the delivery of works and transport improvements.

The strategy recognises the City and gateway corridor as a unique, vibrant and diverse part of Canberra that is well placed to accommodate growth, while maintaining a strong sense of community. Nowhere is this more important than in the heart of our city and in the prominent national gateway to our city, Northbourne Avenue.

MESSAGE FROM THE CHIEF MINISTER, ANDREW BARR

I hope you are all refreshed after the summer break. I’m sure, like me, you have a busy year ahead of you.

The ACT Government has a big agenda for 2016 including major investments in new health, education and transport infrastructure. We are targeting reductions in waiting times in our emergency departments and faster access to elective surgery. New schools and TAFE facilities are being constructed in Gungahlin, Tuggeranong and the Molonglo Valley. New roads, cyclepaths and footpaths are being built right across the city.

I look forward to updating you through future editions of Our Canberra.
