GUNGAHLIN EDITION

JUNE 2016

## **A** HAVE YOUR SAY ON STAGE TWO OF HORSE PARK DRIVE DUPLICATION

Consultation is now underway on the design of stage two of the duplication of Horse Park Drive between the Federal Highway and Mulligans Flat Road.

When completed, more than half the length of Horse Park Drive will be a dual carriageway, reducing the congestion currently experienced in peak periods.

Construction works are expected to commence in late 2016. Work on stage one of the duplication is currently underway.

**Have your say on the design until 13 June at [www.timetotalk.act.gov.au](http://www.timetotalk.act.gov.au) or complete a hard copy survey at the Gungahlin Library.**

## MESSAGE FROM THE CHIEF MINISTER, ANDREW BARR

It's always good to see Canberra leading the nation. Some recent examples have made me proud.

We're going to be using 100 percent renewable energy by 2020, five years ahead of schedule and light years ahead of the rest of Australia. This makes sense for the environment and it's a good economic move as we can lock in a great price for power. We've also brought forward our zero emissions target and plan for the ACT to be carbon neutral by 2050. Together, these give our children a cleaner planet and great new job opportunities.

I was also delighted to learn on Mother's Day that the ACT is the best place in Australia to be a mum, according to research by Save the Children. What a great area to lead the nation.

## CANBERRA'S FIRST SECURE MENTAL HEALTH UNIT REACHES HALF-WAY MARK

Construction of Canberra's first Secure Mental Health Unit has reached the half-way point.

The facility is set to be operational later this year. It has been purpose-built to provide a safe and structured in-patient environment for people with acute and severe mental illness and will offer unique care and

therapeutic treatment to protect them and the community.

The facility will provide 10 acute care beds and 15 rehabilitation beds, which will be opened in a staged process once the unit becomes operational.

## MORE FUNDING FOR CANBERRA

The Australian Government has increased its support for stage one of Canberra's city wide light rail network in its recent federal budget, providing an extra \$7 million to the project. The increase in funding puts the total Australian Government contribution at \$67 million.

## MAKE SURE YOU'RE ENROLLED TO VOTE FOR THE OCTOBER 2016 ACT LEGISLATIVE ASSEMBLY ELECTION

All ACT residents who are Australian citizens and 18 years or over are reminded to enrol or update their details. If your name is not on the roll you will miss out on your opportunity to vote.

To update your enrolment visit [elections.act.gov.au](http://elections.act.gov.au)

## HONOUR WALK RECIPIENTS FOR 2016

Six new worthy recipients have been recognised for their contributions to the ACT and inducted onto the ACT Honour Walk.

Recipients recognised in 2016 are St John's Anglican Church Canberra, the Jennings Germans, the Taverner family, The Honourable Jeffrey Miles AO, Geoff Pryor and William (Bill) Hoffmann OAM.

### What is the ACT Honour Walk?

It was commissioned in 2005 and provides enduring recognition of individuals or groups that have made sustained contributions to the ACT. The walk can be found at Ainslie Place, near the Canberra Times Fountain in Civic.

### How to nominate

Any person or group who has played a leading role in shaping the city of Canberra is eligible. Nominations are open year round at [cmd.act.gov.au/communication/act-honour-walk](http://cmd.act.gov.au/communication/act-honour-walk)

For more information on all six inductees visit [act.gov.au/ourcanberra](http://act.gov.au/ourcanberra)

The Taverner family (pictured), Canberrans since 1928, managed Manuka Pool from 1955 until 2012. The family strived to conserve the heritage aspects of the buildings and surrounding grounds, ensuring they stayed as close to the original condition as possible.

## ON THE ROAD TO RIO WITH CANBERRA'S ATHLETES

The road to the 2016 Olympic and Paralympic Games in Rio has been made a little easier for 30 local athletes who've received financial support to help with costs of training, competition and equipment as they strive to represent Australia.

Nic Beveridge is training for the paratriathlon and says a limiting factor is the equipment required to compete. "I'm so glad I've found a sport I enjoy as much as I do with paratriathlon. The funding assistance has enabled me to maintain my equipment in the best operating order for training and racing," he says.

## EXPLORING CANBERRA'S PUBLIC SCHOOLS

Canberra public schools are delivering exciting programs and engaging with students and families in creative ways across Canberra's northside.

In Holt, Kingsford Smith School offers a broad Performing Arts Program from pre-school to Year 10, interschool sports programs, and Aboriginal and Torres Strait Islander student programs, including Koori preschool.

Gungahlin College offers a unique gifted and talented program for students who are particularly academically ambitious. Its SMART (Science, Mathematics and Related Technologies) program is open to applications from across the ACT.

Enrolments are now open for 2017. Visit [edu.act.gov.au](http://edu.act.gov.au)

## NEW EMERGENCY BEDS FOR KIDS AT CANBERRA HOSPITAL

Canberra's youngest patients and their families now have a more comfortable and less stressful environment while waiting for treatment at Canberra Hospital's Emergency Department with the opening of the ACT's first dedicated Paediatric Streaming space.

The new space has six additional patient beds, two consultation rooms and a private waiting area, which is separate to the emergency department's main and very busy waiting area. The facility is a part of the \$23 million Canberra Hospital Emergency Department expansion and is delivered with a \$5 million contribution from the Australian Government.

## 100% RENEWABLE ENERGY FOR CANBERRA BY 2020

A 10 percent increase in the ACT's renewable energy target will see 100 percent of all energy delivered come from renewable sources by the year 2020.

For Canberrans this will mean clean power from wind and solar sources as well as the creation of jobs and economic benefits stemming from \$400 million in local investment.

## MORE BLOCKBUSTER CRICKET FOR CANBERRA

Canberra will host its first ever test match in the summer of 2018-19, ensuring Canberrans enjoy even more blockbuster cricket at Manuka Oval.

Australia will take on Sri Lanka in the Test, which will replace the Men's One Day International (ODI) match scheduled for 2018-19. New Zealand will also be playing a One Day International match at Manuka Oval for the first time during the 2016-17 Chappell-Hadlee series. Ticketing information for the ODI series will become available later in 2016.

CANBERRA REGION VISITORS CENTRE WILL MOVE TO REGATTA POINT IN JULY

## NEW HEALTH SERVICES GUIDE FOR MIGRANTS AND REFUGEES

Were you born overseas? Did you know ACT Health is making it easier for you to access health services in your area?

ACT Health's 'Using Health Services in the ACT' booklet is full of helpful tips and information on what services are available locally. Tours of local health facilities guided by our staff are also available.

The Gungahlin Culturally and Linguistically Diverse Access Project has been set up to help migrants and refugees new to the Gungahlin region to access ACT Health services.

For a copy of the booklet or for more information, visit [health.act.gov.au/multicultural](http://health.act.gov.au/multicultural) or contact the Multicultural Health Unit on (02) 6205 1011.
