

COVID-19 vaccination program continues

COVER STORY
continues page 2

Roll up
your sleeves
Canberra

Message from the Chief Minister

Canberrans have been turning out in great numbers to get their COVID-19 vaccination. The proportion of our population above 16 with one dose of the vaccine is among the highest in the nation.

There has been particularly strong take up from Canberrans over the age of 70.

Thank you to everyone who has rolled up their sleeves.

The vaccination rollout is accelerating at the ACT's mass vaccination clinics and GPs across the city. More vaccines have been promised by the Australian Government in the coming months.

Let's keep up our nation leading vaccination effort and keep our community safe.

Canberrans continuing to roll up their sleeves

The ACT community's response to the rollout of COVID-19 vaccines has been impressive. It's clear that Canberrans want to keep our city safe and strong.

Getting vaccinated is one of the best ways to protect yourself and your family from the most serious health risks posed by COVID-19.

Right now ACT Government COVID-19 vaccination

clinics are providing access to COVID-19 vaccines in Canberra. Eligible people should plan ahead by making an appointment as soon as possible.

→ Find out if you're eligible and where you can make an appointment at covid19.act.gov.au/vaccinebooking

Don't delay, get tested today!

Recent COVID-19 outbreaks across the country have reinforced the importance of testing.

Getting tested means early detection of COVID-19 and allows ACT Health to quickly respond before there is widespread transmission.

You should get tested if you experience any COVID-19 symptoms – fever, sore throat, cough, runny or blocked nose, shortness of breath, or loss of smell or taste - no matter how mild they may be.

→ More information about symptoms and testing locations is available at covid19.act.gov.au

Simple steps to save on your energy bills

Being on an energy plan that's right for you could save hundreds of dollars on your energy bill.

Shop around with other energy retailers to get the lowest cost plan.

Call your energy provider to ask if you're on the best plan and if there are other deals and discounts.

Also, making simple changes around the house can make your home more energy efficient.

→ Find more tips at actsmart.act.gov.au/energy-saving

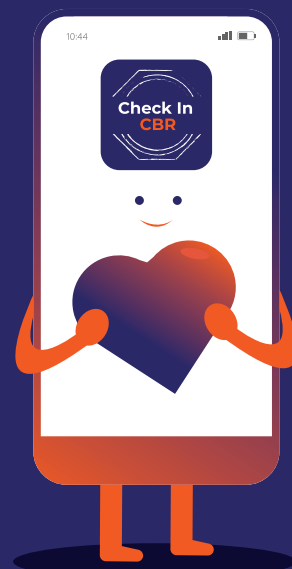

Important changes to Check In CBR app

It is now mandatory to use the Check In CBR app in supermarkets, department stores, petrol stations, takeaway services, public transport, taxis, Uber and ride sharing services.

Everyone 16 years of age and older is required to check in, even if they are only in the venue for a brief amount of time.

→ For more information visit covid19.act.gov.au

Use the Check In CBR app to protect yourself and your loved ones.

Gungahlin school expansions continue

Construction has started on the expansion of Amaroo School's senior campus, which will accommodate 200 more students for the 2022 school year.

The expansion includes new general and specialist learning areas for year 7 to 10 students and a refurbishment to the existing science and technology building.

Work is progressing quickly on new permanent school buildings at Franklin School, with a new multi-purpose community hall, sports field, hard courts and additional parking being built.

The new classrooms will be ready in 2022 and offer up to an extra 450 places for local primary school students.

→ Find out more at education.act.gov.au

New classrooms at Palmerston Primary

Students and staff at Palmerston District Primary School are embracing their four new transportable classrooms installed earlier this year.

Transportable classrooms are a flexible, modern and spacious way for a school to cater for population growth within their local area.

→ To find out what learning is like in a transportable classroom, visit education.act.gov.au

Mitchell light rail stop opening soon

The Sandford Street light rail stop is getting close to being open. Travel time to the stop will be less than 10 minutes to Gungahlin and approximately 15 minutes to the City.

Green Caffein makes sustainability easy

Calling all CBR coffee lovers – do some good for the environment and embrace the Green Caffein reusable coffee cup scheme.

More than 100 local cafes participate in the free and COVID-safe 'swap-and-go' scheme which allows Canberrans to order their coffee in a reusable cup and return it to any participating cafe.
