#### **Delivering for** Canberra's future

#### **Message from the Chief Minister**

With nation-leading population growth and more people choosing to make Canberra home, the ACT Government is continuing to invest in our city, in infrastructure that is built for Canberra, to ensure we remain one of the most liveable cities in the world.

Through the 2022-23 ACT Budget, the Government is increasing investment into schools, hospitals, and into the services and local infrastructure that Canberrans know and love.

Importantly, it is a budget that puts the wellbeing of Canberrans first, while building a more diverse and resilient economy to protect and create local jobs.

This year's budget includes additional local infrastructure and services right across the city. More details are included in this edition of Our Canberra.

**Andrew Barr** 

## ACT budget focuses on wellbeing

The nation-leading comprehensive Wellbeing Framework helps guide decisions about how and where the ACT Government should invest money, ensuring the government delivers on programs, services and infrastructure that improve the lives of all Canberrans.

That is why the 2022-23 ACT Budget includes more than \$160 million to improve housing choice and affordability, \$240 million to support education and skills, and \$390 million to improve the health outcomes of Canberrans.

recently rated their wellbeing as 'typical' or 'high' in a survey examining themes like standard of living, relationships, safety, achievement and future security.

# Wellbeing into the future

The ACT Government is committed to working with the community to improve the wellbeing of all Canberrans.

Help inform the University of Canberra's latest research by telling them how you find living in the ACT at livingwellintheact.net.au

## Supporting the wellbeing of Canberrans

Wellbeing means something different to everyone. It could be about ease of access to local services, or the ability to find work, make friends or get out in nature. With our population now more than 450,000 and growing, the focus on wellbeing will help ensure Canberra remains one of the most liveable cities in the world.

That is why the ACT Wellbeing Framework was created and why it will now shape the programs, services and infrastructure to benefit Canberrans long into the future.

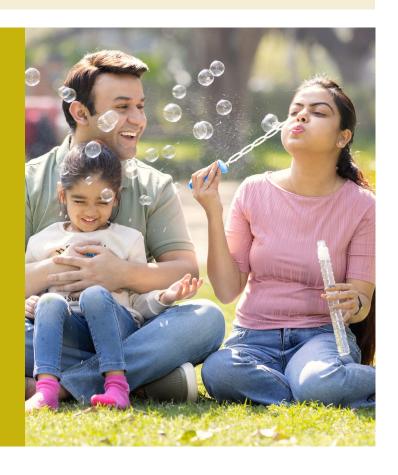

# What is the ACT Wellbeing Framework?

The ACT Government worked with the community in 2019 and 2020 to develop a set of indicators to measure and understand the individual and collective wellbeing of Canberrans.

Elements of wellbeing in the ACT include:

- access to quality education and lifelong learning opportunities
- suitable housing
- a climate-resilient and healthy environment
- a strong economy
- access to places and services

- time to live the lives we aspire to
- good health and health care
- feeling and heing safe
- sense of belonging, identity and connection

Our COVER STORY

### What's in the budget for Tuggeranong?

Through the 2022-23 ACT Budget the Government is continuing to deliver now and into the future by investing in our schools, hospitals, locals services and infrastructure. This includes:

- A new hydrotherapy pool at Tuggeranong Lakeside Leisure Centre.
- Design work for a new visitor centre at Tidbinbilla Nature Reserve.
- Intersection upgrades along Streeton Drive at Namatjira and Heysen Street, and Tharwa Drive at Lawrence Wackett Drive and Norman Lindsay Street.
- Safety improvements for Brindabella and Long Gully Roads.
- Upgrades to Lanyon Homestead.

For more on the 2022-23 ACT Budget, see page three.

#### Funding world-class local health services

The ACT Government is boosting investment to ensure Canberrans can access world-class healthcare when and where they need it.

An additional \$390 million in the 2022-23 ACT Budget will deliver a total investment in health of more than \$10 billion over four years.

This significant investment will deliver:

- Expanded support for our public hospitals and health centres;
- The continued COVID-19 response;
- · More mental health services;
- · State-of-the art medical imaging upgrades; and
- · Record numbers of healthcare workers.

# Grants support senior Canberrans and veterans

Two grant programs supporting veterans and older Canberrans are opening soon.

The programs fund projects that promote the groups as valued community members.

Head online for more information on how to apply.

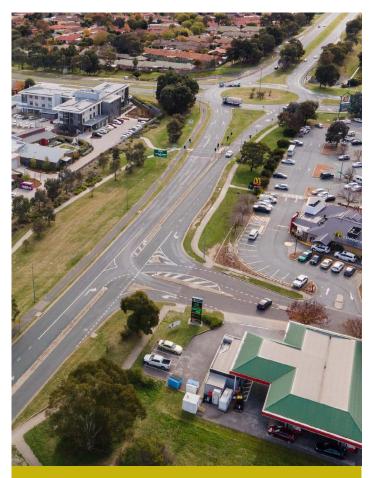

# New theatre planned for city centre

A new 2000-seat theatre will form part of a major Canberra Theatre Centre redevelopment. The existing Canberra Theatre will be renovated and revitalised to support a bigger range of live performances coming to the capital.

Sign up for updates online.

## New southside hydrotherapy pool

A new hydrotherapy pool on the southside will be designed and built in the next three years, after \$8.5 million was committed in the 2022-23 ACT Budget.

The facility will be located next to the Lakeside Leisure Centre.

# **Road safety upgrades** for Canberra's south

Tharwa Drive will be made safer and more efficient as part of a 2022-23 ACT Budget commitment.

The funding includes:

- the design and construction of traffic lights at its intersection with Lawrence Wackett Crescent in Theodore; and
- the investigation of options at its intersection with Norman Lindsay Street in Conder.

Road upgrades will also improve safety and accessibility for pedestrians and cyclists.

These projects are jointly funded by the ACT and Australian Governments.

## Local **bus stop upgrades**

Ten bus stops have been upgraded across Tuggeranong to improve the community's public transport experience. This includes bus stops in Greenway, Theodore, Calwell, Banks, Wanniassa, Isabella Plains and Monash.

#### **Acknowledgement of Country**

The ACT Government acknowledges the Traditional Custodians of the land, the Ngunnawal people. We acknowledge and respect their continuing culture and contribution to the life of this city and region.

### **Floriade returns** with the Sounds of Spring

Canberra will come alive with vibrant colour and beauty next month when Floriade returns to Commonwealth Park as a plastic-free event.

This year's theme, the Sounds of Spring, will see visitors explore a

stunning display of more than one million blooms to a soundtrack of classical and contemporary tunes.

If you want to get involved and support the event, sign up as a volunteer online.

# Apply now for **Multicultural Festival grants**

Community organisations are invited to apply for grants to help bring their cultural activities and showcases to the 2023 National Multicultural Festival.

The event will mark the 25th anniversary of the festival and its celebration of Canberra's cultural diversity.

Applications are open for stallholders, performers and volunteers.
