Dear Neighbour/Tenant

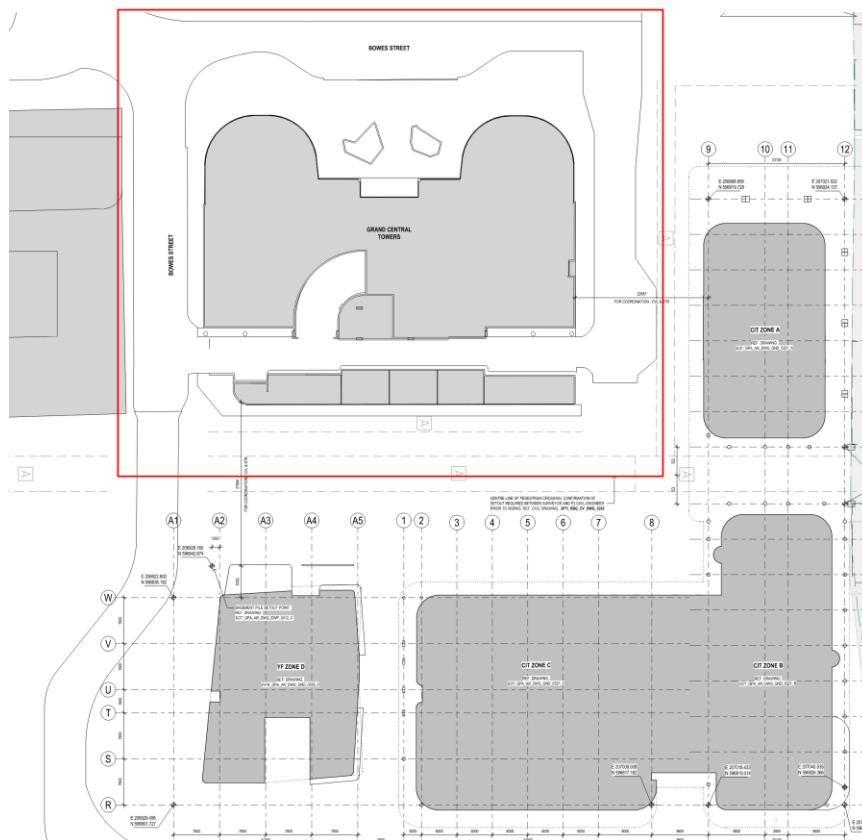

## Works Notification

<b>Project:</b> CIT WODEN PROJECT	<b>Notification No:</b> 23
<b>Work Duration:</b> 23 <sup>rd</sup> June 2023	<b>Date Issued:</b> 15 June 2023
<b>Work Area/ Location:</b> Woden Bus Interchange	
<b>Description of Works:</b> Planned electricity supply interruption.	

Lendlease has been engaged by the ACT Government to deliver a new CIT campus, youth foyer and public transport interchange in Woden. This notification includes information about the upcoming works associated with construction of the CIT Campus, including general construction information on working times and what to expect.

### Planned electricity supply interruption.

On **Friday, 23 June 2023** the electricity supply at 15 Bowes St Phillip ACT 2606 will be temporarily interrupted between 04:00 - 06:00am to enable Evo Energy to safely work on their electricity network.

### What do residents need to do to prepare?

- Charge any devices, equipment or battery packs before the power goes off.
- Switch off and unplug appliances including televisions and computers.
- Move vehicles out of garages that have electronically controlled doors.
- During the interruption, avoid opening fridges or freezers to preserve contents.

### Working hours and what to expect

The planned electricity supply interruption will be undertaken between the hours of 04:00 - 06:00am Friday, **Friday, 23 June 2023**. During this time works will include:

- Evo access to the substation below 15 Bowes St Phillip. Access is **not** required inside the building.
- Planned maintenance to the Evo network.

### Out of Hours work

The planned electricity supply interruption will be undertaken out of hours.

### Construction impacts

Every effort will be made to minimise disruption to the local community during these works, however we anticipate:

- Out of hours works to minimise impacts of electricity supply interruption.

We will endeavour to minimise noise impacts where possible by:

- Turning off equipment and vehicles when not in use.

If you have any questions or would like to know more about the works, please contact Thomas Moulds on 0415 256 942 or email [thomas.moulds@lendlease.com](mailto:thomas.moulds@lendlease.com)
