

NEW CIT CAMPUS OPENS MID 2016

Tuggeranong is getting a new Canberra Institute of Technology (CIT) campus and will be open for course enrolments from Semester 2, 2016.

The new campus at 205 Anketell Street will offer a modern and flexible learning environment to connect the community, local businesses and learners.

The courses and training options available will have a focus on business and innovation and will suit new learners, current students and up-skillers.

Learners can expect:

- > High-spec facilities with a modern fit-out
- > High speed Wi-Fi
- > Specialised and multipurpose learning spaces
- > A variety of training options and study modes.

 Look out for important updates, or ask a question at cit.edu.au/tuggeranong

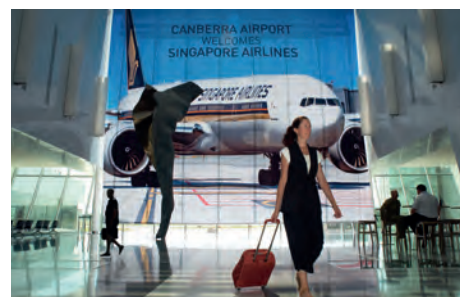

IN THIS ISSUE:

- > 21 new emergency department beds
- > Celebrate Canberra Day in March
- > Cyber safety at your local library

INTERNATIONAL FLIGHTS COME TO CANBERRA

Canberrans will soon have more travel choices and be better connected to the rest of the world with Singapore Airlines announcing direct flights from Canberra to Singapore and Wellington, NZ.

The new route, dubbed the 'capital express', will offer four services a week to both cities on a Boeing 777-200.

The start of direct international flights will create significant positive economic and social impacts for Canberra and the region in terms of trade, investment, higher education and tourism.

First flights take off in mid September.

MESSAGE FROM THE CHIEF MINISTER, ANDREW BARR

It's been a busy start to the year, with some of the world's biggest companies giving our city a major vote of confidence. International flights are finally a reality with Singapore Airlines announcing it will fly direct from Canberra to Singapore and Canberra to Wellington.

Also in transport, we've announced the international consortium that will build the first stage of Canberra's light rail network. The companies involved are some of the world's best and they'll get the job done faster and at a lower cost than originally anticipated.

Infrastructure investment is not limited to transport and it was great to recently turn the sod to start construction on the new University of Canberra Public Hospital.

THE IMPACT OF CLIMATE CHANGE FOR CANBERRA

Climate change is likely to mean more heatwaves and extreme weather in our region.

That means we need to improve how we manage our water resources and reduce the effects of heat, prepare our emergency responses, help Canberrans reduce their electricity costs, protect native species and urban forests, and support and encourage private enterprise to take action.

The ACT Government has released its new ‘Climate Change Adaptation Strategy’ and you are invited to have your say.

LOCK CYBER SAFETY AT YOUR LOCAL LIBRARY

If you need advice on cyberbullying and eSafety, head to your local library for help

Young people in the ACT are among the first in the country to trial a new program called eSafe spaces—offered by the Office of the Children’s eSafety Commissioner. If successful, the pilot will be rolled out to public libraries across Australia.

Visit your local library for advice on how to be safe online, to learn about managing your privacy and security online, removing cyber-bullying material, and to better understand games, apps and social networking.

HEART TUGGERANONG’S COMMUNITY HEALTH CENTRE

Community Health Centres offer a variety of services to help Canberra families look after their health and wellbeing.

Your local centre is opposite the Tuggeranong bus interchange on the corner of Anketell Street and Pitman Streets and is open from 8 am to 5 pm, Monday to Friday (except public holidays).

The centre provides physiotherapy, podiatry, nutrition, pathology, women’s health, dental, fall prevention, social work, mental health care, and alcohol and drug counselling.

It also features a Nurse-led Walk in Centre providing free one-off advice and treatment for people with a minor illness or injury.

EMERGENCY DEPARTMENT + EXPANDS WITH 21 NEW BEDS

As Canberra continues to grow, so is our main hospital. Stage I of the Canberra Hospital Emergency Department expansion is now open and includes a new Emergency Medicine Unit and Mental Health Short Stay Unit.

More new areas of the expansion are set to open throughout 2016, including a new paediatric streaming space that will provide separate waiting and treatment areas for children and their families.

When the works are complete, the capacity of the emergency department will have increased by 30%. It will have an additional 21 treatment spaces, three more ambulance bays and an extra 1,000 square metres of floor area.

TRAIN LIGHT RAIL OPERATING EARLY 2019

A world class light rail network is coming, with stage one delivering 12km of light rail track, 13 stops, 14 light rail vehicles, a depot and 20 years of operation and maintenance.

The first stage of the project will be completed by late 2018. Operations will begin early 2019.

The recent release of the Light Rail Network outlines the bigger picture for public transport across the entire city. Light rail is a project for the future. It will prepare our city for growth, drive economic development, integrate with other modes of transport and free up buses boosting public transport in other regions of Canberra.

CANBERRA STUDENTS ARE CONNECTED

Canberra’s public schools are now some of the best connected in the world.

25,200 of our local students at most Canberra public schools have registered with the Google Apps for Education platform, making a real difference to the way they learn.

Teachers, parents and students can use Google Apps to communicate, collaborate and explore on real-world platforms.

i Contact your school to learn more about Google Apps for Education.

DOG-FRIENDLY CANBERRA GETS EVEN BETTER

You and your pooch can now enjoy even more of our Canberra, together.

You can now exercise your dog off-leash at all sportsgrounds when they’re not being used for sport. In Tuggeranong this includes Calwell and Wanniasa District Playing Fields. Dogs can also be off-leash at man-made wetland areas. All major parks, including Tuggeranong Town Park and Weston Park, are now dog on-leash.

i For more information visit act.gov.au/ourcanberra

REMEMBER THIS

- > Keep your dog on-leash on a path or cycleway
- > Ensure your dog isn’t harassing other dogs, people or wildlife
- > Keep your dog 10m away from playgrounds and barbecues
- > Always clean up after your dog
- > Enclosed ovals remain dog prohibited.

NEW TEACHERS JOIN THE TEAM

“As a teacher, you are constantly learning and developing yourself. What I love is teaching a subject, but being taught by the students in return.”

Elliot Davis, teacher at Lake Tuggeranong College

Elliot is one of 350 new teachers and staff who have joined one of Canberra’s 87 public schools this year.
