## BETTER CONNECTING TOWN CENTRE AND RIVER CORRIDOR

Earlier this year the community was asked to share its thoughts on the potential for urban development between Tuggeranong Town Centre and the Murrumbidgee River Corridor.

It suggested the development of more housing and lifestyle options near the town centre.

Canberrans have had their say on this idea and your key issues were:

- > protecting the environmental values along the river corridor

- > supporting the operation and growth of sporting clubs and recreation groups in the area and
- > ensuring new development offers meaningful benefits for Tuggeranong.

### Join the conversation

The second stage of community consultation is now underway and includes a series of workshops, polls and a community panel to collect ideas.

To contribute to this important conversation for the Tuggeranong community, you can continue to have your say on the online forum at [haveyoursay.planning.act.gov.au](http://haveyoursay.planning.act.gov.au)

### IN THIS ISSUE:

- > New emergency beds for kids
- > 100% renewable energy for Canberra by 2020
- > ACT Honour Walk new inductees

### NEW PLAY EQUIPMENT: POINT HUT PARK PLAYGROUND

New play equipment will soon be available at Point Hut District Park in the Lanyon Valley. Community consultations held in 2015 helped decide what play equipment will be included at the park and informed the final designs.

The upgrade includes a new climbing structure and swings as well as interactive elements for children of all ages and with a range of abilities.

## MESSAGE FROM THE CHIEF MINISTER, ANDREW BARR

It's always good to see Canberra leading the nation. Some recent examples have made me proud.

We're going to be using 100 percent renewable energy by 2020, five years ahead of schedule and light years ahead of the rest of Australia. This makes sense for the environment and it's a good economic move as we can lock in a great price for power. We've also brought forward our zero emissions target and plan for the ACT to be carbon neutral by 2050. Together, these give our children a cleaner planet and great new job opportunities.

I was also delighted to learn on Mother's Day that the ACT is the best place in Australia to be a mum, according to research by Save the Children. What a great area to lead the nation.

## CANBERRA'S FIRST SECURE MENTAL HEALTH UNIT REACHES HALF-WAY MARK

Construction of Canberra's first Secure Mental Health Unit has reached the half-way point.

The facility is set to be operational later this year. It has been purpose-built to provide a safe and structured in-patient environment for people with acute and severe mental illness and will offer unique care and

therapeutic treatment to protect them and the community.

The facility will provide 10 acute care beds and 15 rehabilitation beds, which will be opened in a staged process once the unit becomes operational.

## REPORT YOUR RENTAL

The ACT Revenue Office is targeting land tax compliance on rental properties in 2016. If you own a rental property in the ACT, make sure you are paying the required land tax.

 For more information on land tax obligations visit [revenue.act.gov.au](http://revenue.act.gov.au)

## MAKE SURE YOU'RE ENROLLED TO VOTE FOR THE OCTOBER 2016 ACT LEGISLATIVE ASSEMBLY ELECTION

All ACT residents who are Australian citizens and 18 years or over are reminded to enrol or update their details. If your name is not on the roll you will miss out on your opportunity to vote.

 To update your enrolment visit [elections.act.gov.au](http://elections.act.gov.au)

## HONOUR WALK RECIPIENTS FOR 2016

Six new worthy recipients have been recognised for their contributions to the ACT and inducted onto the ACT Honour Walk.

Recipients recognised in 2016 are St John's Anglican Church Canberra, the Jennings Germans, the Taverner family, The Honourable Jeffrey Miles AO, Geoff Pryor and William (Bill) Hoffmann OAM.

### What is the ACT Honour Walk?

It was commissioned in 2005 and provides enduring recognition of individuals or groups that have made sustained contributions to the ACT. The walk can be found at Ainslie Place, near the Canberra Times Fountain in Civic.

### How to nominate

Any person or group who has played a leading role in shaping the city of Canberra is eligible. Nominations are open year round at [cmd.act.gov.au/communication/act-honour-walk](http://cmd.act.gov.au/communication/act-honour-walk)

 For more information on all six inductees visit [act.gov.au/ourcanberra](http://act.gov.au/ourcanberra)

The Taverner family (pictured), Canberrans since 1928, managed Manuka Pool from 1955 until 2012. The family strived to conserve the heritage aspects of the buildings and surrounding grounds, ensuring they stayed as close to the original condition as possible.

## ON THE ROAD TO RIO WITH CANBERRA'S ATHLETES

The road to the 2016 Olympic and Paralympic Games in Rio has been made a little easier for 30 local athletes who've received financial support to help with costs of training, competition and equipment as they strive to represent Australia.

Katie Kelly is training to compete in the paratriathlon in Rio and says the funding assistance has taken off a huge financial pressure in the lead up to the Games. "The assistance covers cost such as training equipment everything from bikes, repairs, training clothes, additional physio and rehab work, as well as cost for my guide to attend training camps and competitions," she says.

## EXPLORING CANBERRA'S PUBLIC SCHOOLS

Canberra public schools are delivering special programs and engaging with students and families in creative ways across Canberra's southside.

Namadgi School builds community engagement through its extensive band programs, building relationships with the Tuggeranong Community Band and collaborating with other ACT schools. It also runs a new leadership program for year 10, helping the students engage in community outreach.

At Calwell High School, staff take on student feedback to affect real change including an evaluation of the school canteen, opening up new spaces at lunchtimes and introducing a new women in leadership program.

 Enrolments are now open for 2017. Visit [edu.act.gov.au](http://edu.act.gov.au)

## NEW EMERGENCY BEDS FOR KIDS AT CANBERRA HOSPITAL

Canberra's youngest patients and their families now have a more comfortable and less stressful environment while waiting for treatment at Canberra Hospital's Emergency Department with the opening of the ACT's first dedicated Paediatric Streaming space.

The new space has six additional patient beds, two consultation rooms and a private waiting area, which is separate to the emergency department's main and very busy waiting area. The facility is a part of the \$23 million Canberra Hospital Emergency Department expansion and is delivered with a \$5 million contribution from the Australian Government.

## 100% RENEWABLE ENERGY FOR CANBERRA BY 2020

A 10 percent increase in the ACT's renewable energy target will see 100 percent of all energy delivered come from renewable sources by the year 2020.

For Canberrans this will mean clean power from wind and solar sources as well as the creation of jobs and economic benefits stemming from \$400 million in local investment.

 For more information visit [environment.act.gov.au](http://environment.act.gov.au)

## MORE BLOCKBUSTER CRICKET FOR CANBERRA

Canberra will host its first ever test match in the summer of 2018-19, ensuring Canberrans enjoy even more blockbuster cricket at Manuka Oval.

Australia will take on Sri Lanka in the Test, which will replace the Men's One Day International (ODI) match scheduled for 2018-19. New Zealand will also be playing a One Day International match at Manuka Oval for the first time during the 2016-17 Chappell-Hadlee series. Ticketing information for the ODI series will become available later in 2016.

CANBERRA REGION VISITORS CENTRE WILL MOVE TO REGATTA POINT IN JULY

## NEW HEALTH SERVICES GUIDE FOR MIGRANTS AND REFUGEES

**Were you born overseas? Did you know ACT Health is making it easier for you to access health services in your area?**

ACT Health's 'Using Health Services in the ACT' booklet is full of helpful tips and information on what services are available locally. Tours of local health facilities guided by our staff are also available.

The Gungahlin Culturally and Linguistically Diverse Access Project has been set up to help migrants and refugees new to the Gungahlin region to access ACT Health services.

 For a copy of the booklet or for more information, visit [health.act.gov.au/multicultural](http://health.act.gov.au/multicultural) or contact the Multicultural Health Unit on (02) 6205 1011.
