

New local businesses supporting jobs

Sam Carlini looks forward to welcoming you to Two Blind Mice at Curtin Shops.

Message from the Chief Minister

After a very challenging few years, Canberra's economic recovery continues to build momentum.

Recent economic data from the Australian Bureau of Statistics has highlighted the strength of our recovery.

The number of businesses has grown by more than 5,000, since 2016. We now have more than 30,000 businesses in the Territory.

Almost 23,000 additional jobs have been created, increasing the total labour market to more than 230,000. As a result, the ACT has low unemployment and one of the strongest jobs markets in the country.

Our objective is to continue this growth and move towards 250,000 jobs in our economy by the end of 2025.

Local venue brings Curtin Square to life

It's been impossible to ignore the buzz around Curtin's Two Blind Mice in recent months.

Curtin local and owner Sam Carlini says his 'casual pub with not-so-casual food' has been embraced by the community.

"It was a challenging build through COVID-19 so we're thankful locals were patient with us," Sam said. "Now we're here, everyone says we've helped liven up the Curtin Square again."

Supporting the local community bounce back from COVID-19 is also important to Sam. "Most of our 25 staff members are locals we found from putting a note in the window, and we try and use as much local produce as possible."

Stay well this winter

With the 2022 flu season expected to be severe, it's more important than ever to get your annual flu vaccination.

Flu shots are recommended for everyone aged over six months and should be booked as soon as possible with your GP, pharmacist or other healthcare provider.

You can get your flu and COVID-19 vaccinations at the same appointment.

You can also make COVID Smart choices to stop the spread of flu and COVID-19 this winter. This includes staying at home if you have symptoms, practising good hand hygiene and wearing a mask in crowded places.

Volunteer Week: a time to give back

Canberrans are encouraged to explore ways to give back to the community this National Volunteer Week (16–22 May).

There are many opportunities to help make our city a more supportive and inclusive place, whether it's volunteering through sports, arts, wildlife rescue or wellbeing initiatives.

The week is also a time to thank the Canberrans who volunteer for our community, such as 2022 Citizen of the Year Mohammed Ali (pictured).
