Out of Hours works

On the night of **Thursday, 23 March 2023** and continuing to early morning **Friday, 24 March 2023** Canberra Contractors will be undertaking construction works outside normal working hours to undertake pavement works along Callam and Launceston Street:

Updated Out of Hours schedule	
Thursday 23 March 2023	Commencing - 11:00pm
Friday 24 March 2023	Completion – 4:30am

Every effort will be made to meet the above updated Out of Hours dates, however, we may need to reschedule again if wet weather or other delays impact the completion of these works. In this instance, additional notification will be provided.

Out of hours works will include:

- upgrading existing pavements
- traffic management
- trucks and mobile plant operating
- new asphalt placement

Construction impacts

Every effort will be made to minimise disruption during these works; however, we anticipate:

- noise typical of a construction site
- parking restrictions
- traffic disruptions, including temporary speed reductions
- pedestrian and cyclist changes, including footpath closures and detours.

We will endeavour to minimise noise impacts where possible by:

CANBERRA CONTRACTORS
CIVIL ENGINEERING CONTRACTORS

- turning off equipment and vehicles when not in use
- directing noisy equipment away from residences and businesses where possible
