A WALK-IN CENTRE FOR WESTON CREEK

Last month's ACT Budget has set aside funding to start the planning and design of a new walk-in centre for Weston Creek.

Walk-in centres provide access to fast, free treatment for minor injury and illness, as well as health advice from a registered nurse. As planning progresses, you'll be asked to have your say on the best location for the centre.

Walk-in centres in Belconnen and Tuggeranong are open every day from 7.30am to 10pm, with no appointment needed.

MESSAGE FROM THE CHIEF MINISTER, ANDREW BARR

It was great to speak to commuters at Canberra Station recently about their experience with the current slow and unreliable rail service between Canberra and Sydney. I took the long four hour journey myself on the way to discuss possible solutions with the NSW Government, so we can try to get a better service with reduced travel time.

A faster train service will make the journey safer and less stressful for thousands of Canberrans, reduce the numbers of cars on the Hume Highway, improve productivity for business travel and enhance the lives of Canberrans and those in NSW towns along the route.

Together, we will lobby the Federal Government to upgrade the route as part of its national rail program to make the rail service more competitive with road. I'll keep you informed about how it goes.

BETTER ACCESS TO TRAINING FOR ALL AGES

Canberrans of all ages now have more opportunity to up-skill or re-skill.

The limit on the number of funded Australian apprenticeships a person can access under the 'ACT Australian Apprenticeships program' has been removed. This means that Canberrans at different stages of life have more opportunities to enhance their job prospects or to seek a new career.

STUDENTS REAP BENEFITS OF LOCAL MUSIC PROGRAM

Research has found that engaging in musical activities helps children learn and enhances skills in other areas.

More than 2,300 students in ACT Public Schools are getting involved in the ACT Instrumental Music Program. These kids are learning social interaction and performance skills, and how to cooperate and strive for excellence.

STUDENTS GET WORK READY AT SIX DEGREES CAFE

Canberra has a great new cafe that is preparing students with a disability for life after school.

Black Mountain School's 'Six Degrees' cafe develops students' practical skills so they are 'work ready' after graduating. The indoor-outdoor cafe offers delicious coffee and other products, with the friendliest service in town.

Opening hours are Tuesdays and Wednesdays, 9am to 2pm, at Dryandra Street, O'Connor.

MORE FACILITIES AT WODEN LIBRARY

More community facilities and programs are coming to Woden Library.

Funding was set aside in last month's ACT Budget to expand community facilities. This will allow for more community programs and the fitout of more community spaces available for hire.

PARK & PEDAL: GLENLOCH INTERCHANGE

There's a new Park & Pedal site to help you get active and get around our capital. The new site is on the way to the city and Canberra's northside at Caswell Drive at the Glenloch Interchange.

Or if you work in Belconnen, try the new Park & Pedal site at Palmerville Heritage Park, Evatt.

At a Park & Pedal, you can park your car for free and pedal the rest of your journey. All sites also offer good connections with major road networks and off-road paths to nearby town centres.

CANBERRA STUDENTS

FEEL THE ANZAC SPIRIT

Two Canberra public school students have had the trip of a lifetime to the Western Front.

Sophie Holloway from Campbell High School and Liam Hollis from Canberra High School (pictured) were the recipients of the 2017 ACT Chief Minister's ANZAC Spirit Prize. The duo represented the ACT on a two week study tour with a battlefield tour specialist, visiting key battlefields and laying a wreath at Villers-Bretonneux during the dawn service on Anzac Day.

The students were selected for their creative exploration of the connection between France, Australia and the ANZAC Spirit. Entries for the ACT Chief Minister's ANZAC Spirit Prize 2018 will open in term three 2017.

 To make an enquiry email ANZACSpiritPrize@act.gov.au
Information will soon be available at education.act.gov.au

STAY SAFE ON YOUR SNOW TRIP

During winter, roads in our mountains are often closed due to bad weather and extreme conditions. Closing roads prevents accidents and damage. Canberrans are urged to respect road closures, obey signage and take extreme caution when driving.

 For more information on road conditions and access visit tccs.act.gov.au, or call Access Canberra on 13 22 81.

WEST BASIN'S NEW PUBLIC PROMENADE

A stunning public promenade that will make West Basin a more attractive and accessible destination for Canberrans and visitors is taking shape. Now underway is the first 150 metres of boardwalk and the creation of a new public park.

Stage two of the project starts in early 2018. It will include jetties and the next 500 metres of boardwalk, which will connect the future public promenade to the water's edge. This is part of a 50 metre wide public space along the entirety of the West Basin.

BURN RIGHT THIS WINTER

Smoke from wood heaters is the largest source of air pollution in Canberra. Here are some tips to stay warm and help Canberra improve its air quality:

- only use dry, well-seasoned, untreated wood
- store wood in a well-ventilated, covered space
- don't overfill your heater – use two or three small logs instead of one large log
- buy wood from an authorised firewood merchant
- or consider replacing your wood heater. You could be eligible for a rebate under the 'Wood Heater Replacement Program'. Email actsmart@act.gov.au for details.
