BELCONNEN’S HEALTHY WATERWAYS

Construction is underway on three new ACT Healthy Waterway projects in Belconnen.

Two wetlands in Melba and Evatt and the restoration of a creek in Florey are due for completion by February.

The three projects combined will remove more than 50,000 kilograms of nitrogen, phosphorous and suspended sediment destined for Ginninderra Creek every year.

A dry winter has left Canberra with a significantly increased risk of bushfires this summer.
Our hardworking Emergency Services are reminding all Canberrans to prepare their home and discuss action plans with family, friends and neighbours. Trimming trees, mowing grass and removing flammable materials are simple tasks that can prepare your home for the summer.

This edition of Our Canberra has more information on how to be Bushfire Ready.

CRICKET

BIG BASH

Canberra’s best and biggest summer of cricket is here.

Manuka Oval will host four more matches this summer including Canberra’s inaugural cricket Test Match from 1 to 5 February 2019, when Australia takes on Sri Lanka. If the Big Bash is more your style, head to Manuka Oval on 21 December and 9 February.

ONE TICKET
ONE FARE
ONE NETWORK

Commuters will be able to use their MyWay cards on buses and light rail.

The new and expanded network will feature a convenient, efficient and fully integrated MyWay ticketing system where passengers can transfer seamlessly from light rail to buses under the same rules that currently apply to bus users.

HELPING WOMEN

GIVE TRADES a GO

More support is now being offered to help Women in Canberra interested in traditional trades to give it a go.

New grants are now available for projects across Canberra that support an increase in the promotion and take up of women in male-dominated trades, as well as projects that help to retain women in trades.

If you think your project or business is eligible, contact a Skills Canberra Manager by emailing skills@act.gov.au.

Applications close 20 December.
NEW LOOK for BELCONNEN HIGH

Students and teachers at Belconnen High are already benefitting from this year’s modernisation upgrades.

The school now features a new look main building and administration area, classrooms, technology areas, outdoor spaces as well as a new roof. The main refurbishment works are expected to be complete in time for the commencement of the 2019 school year.

THANK YOU SCHOOL VOLUNTEERS

Thank you to more than 140 volunteers who have mentored Canberra kids across 42 ACT public schools in 2018, through the School Volunteer Program.

Dr John Rogers volunteers at Melba Copland Secondary School. “I enjoy watching students tackle the problems we set them and trying to answer the really difficult questions they often ask – the harder the better,” he said.

We will celebrate all Canberra volunteers on International Volunteer Day on 5 December.

HO HO OH NO

Accidents and illnesses can also happen over the holidays. Make sure you know where to go for help.

Walk-in Centres in Belconnen, Gungahlin and Tuggeranong provide free treatment of minor injuries and illness. They’re open 7.30am until 10pm every day, including Christmas and New Year’s Day and you don’t need an appointment.

CANBERRA KIDS’ SUMMER CHECKLIST

Nature Play CBR has a whole list of great activities to get families outside while learning, playing and connecting with nature. Some fun ideas include:

> Discover the world at dusk. Head out for a walk with your family to Mt Painter.
> Make leaf boats and float them in a stream, pond or at Lake Ginninderra.
> Create a nature journal for summer to record all the great things you find in our environment.
> Make a nature craft decoration to hang from the Christmas tree.

FOUR SIMPLE STEPS TO CREATING YOUR BUSHFIRE SURVIVAL PLAN

1. DISCUSS
   With your household what you will do in a bushfire.

2. PREPARE
   A plan and your home for bushfire.

3. KNOW
   The bushfire alert levels.

4. KEEP
   Information, numbers, websites, and the App.

DO YOU KNOW YOUR RISK?

Where you live is one of the things that determines if both you and your home are at risk of bushfire, and what kind of fire you might experience. Think about the area you live in:

**BUSH**
If you live in an area that’s close to or surrounded by bush, you’re at risk. Bushfires can be hot, intense and throw burning embers towards your home.

**GRASSLANDS**
If you live in an area where grasslands meet built up areas or homes, you’re at risk. Grass fires can start easily and spread quickly.

**PADDOCKS**
If you live on the outskirts of the city or near paddocks you’re at risk. Fires can spread quickly over great distances.

**ON A HILL**
If you live at the top of a hill, you’re at risk. Fires travel uphill faster. For every 10 degrees of slope, the fire can double in speed.

THE TOP 5 ACTIONS TO MAKE YOUR HOME SAFER

1. TRIM
   Trim overhanging trees and shrubs. This can stop the fire spreading to your home.

2. MOW
   Mow grass and remove the cuttings. Have a cleared area around your home.

3. REMOVE
   Remove material that can burn (e.g. door mats, wood piles, leaves, paint, furniture).

4. CLEAR
   To prevent embers setting alight clear and remove debris and leaves from gutters.

5. PREPARE
   A sturdy hose or hoses that will reach all around your home. Have a reliable source of water.
