CLEANING UP LAKE TUGGERANONG

The rain garden
will reduce
pollutants in Lake
Tuggeranong.

Tuggeranong will soon be home to the biggest rain garden in the Southern Hemisphere.

It will be located in the parkland beside Upper Stranger Pond and will treat about 1,800 litres of stormwater a second, limiting the pollutants entering Lake Tuggeranong.

New wetlands at Isabella Pond are currently being built and the rain garden is expected to open later this year.

MESSAGE FROM THE CHIEF MINISTER, ANDREW BARR

It's important we continue to create opportunities for locals as our city grows.

Last year, more than 10,000 new jobs were created in Canberra, the most in a decade. These jobs are in sectors that fit our strengths as a city – in education and training, health care, the energy sector and IT – and most are full-time positions. There are now around 230,000 jobs in Canberra's economy.

In this issue:

- > Chromebooks for public high school students
- > More ambulance officers for Tuggeranong

ACTIVE A STREETS are SAFE STREETS

Several new initiatives are helping to make getting to and from school safer for Canberra kids.

LOOK FOR THE CROSSING SUPERVISOR

20 new crossing supervisors will help children to cross roads safely and improve traffic flow. As you approach school crossings, remember to stop when instructed by a supervisor or when children are on the crossing.

FOLLOW THE BLUE STENCILS

Blue stencils can be found on footpaths leading up to more than 20 participating schools across Canberra. These stencils guide students and give parents peace of mind that the route is safe and has minimal road crossings.

 For more information on participating schools as well as maps, guides and tips visit transport.act.gov.au

CHROMEBOOKS for PUBLIC HIGH SCHOOL STUDENTS

Every public high school student in years 7-11 across Canberra has received a new Chromebook to start the school year.

Access to technology is important. This device will give students the chance to participate in technology-based learning regardless of their family circumstances.

A SMILE for the RIGHT SPEED

New speed detecting signs are now being trialled on Casey Crescent in Calwell.

If you are going the speed limit or below a smiley face will appear. If you are over the speed limit a slowdown message will appear.

During the 12 month trial the signs will move to Jim Pike Avenue in Gordon and Newman-Morris Circuit in Oxley.

ASHLEY DRIVE DUPLICATION

NEARING COMPLETION

The duplication of Ashley Drive between Erindale Drive and Johnson Drive is almost complete.

In the coming weeks, dual lanes on a three kilometre section of Ashley Drive will open to traffic. The upgrade also includes improvements made to the Statton Street, Bugden Avenue, Clift Crescent, Ellerston Avenue and Johnson Drive intersections, and a two metre on-road cycle lane both northbound and southbound.

FREE WI-FI AT HEALTH FACILITIES

Free public Wi-Fi is now available at more places across Canberra.

Clare Holland House and Calvary Public Hospital have joined Canberra Hospital and other ACT Community Health Centres providing free Wi-Fi services for patients and visitors.

MORE AMBULANCE OFFICERS for TUGGERANONG

Two new ambulances and 11 paramedics will hit Canberra's frontline this year.

These additional resources will help ease pressure on the ACT Ambulance Service which has continued to deliver the best response times in the nation, despite a 25% increase in demand since 2012-13.
