Purpose

We, the Canberra Region Joint Organisation (CRJO) and the Australian Capital Territory Government (ACT Government) (the parties) acknowledge the important relationship between the Australian Capital Territory and the surrounding NSW South East and Tablelands Region.

The proximity of the region to Canberra and the shared vision of growth and prosperity for the region requires close cooperation and collaboration between the parties to ensure strong mutual benefit for our communities.

The CRJO agrees the ACT Government shall be an associate member of the CRJO. This Memorandum of Understanding (MoU) provides a framework for the cooperation and collaboration between the CRJO and the ACT Government.

The CRJO is a regional leader, advocating for all parts of the Canberra Region to create vibrant communities and be the voice of a strong and cohesive region which recognises and celebrates unique sub regions.

The ACT Government's associate membership of the CRJO will contribute to the pursuit of CRJO's objectives, including:

- Facilitating opportunities and partnerships to create vibrant communities;
