LEARN TO RIDE IN TUGGERANONG

There's a fun new community facility in Tuggeranong where kids can learn to ride a bike and do it safely.

Parents, schools and community groups can use the space to teach children to

ride bicycles and practice using footpaths, roundabouts and pedestrian crossings.

Signs with tips and information at the centre help children learn about road safety and active travel. Give it a try at Greenway Park, adjacent to Mortimer Lewis Drive at Lake Tuggeranong.

 Find out more about how to use and book the facility at act.gov.au/ourcanberra

GET MORE AIR AT THE TUGGERANONG SKATE PARK

Soon there'll be better facilities to work on your kick flips and grinds at the Tuggeranong Skate Park, with two of the half pipes to be upgraded.

MESSAGE FROM THE CHIEF MINISTER, ANDREW BARR

As the ACT Government plans and develops major projects, it's important the views of the entire Canberra community are heard and considered along the way.

The Your Say website is an exciting new way to engage online, share ideas and have your say on ACT Government projects and initiatives. Canberrans have great ideas about life in our city and we want to hear them. In this edition of Our Canberra you'll see projects that are open for public consultation, including improvements to our enclosed dog parks.

Your Say is just one of the ways we listen to Canberrans and I'm committed to improving our community engagement so all Canberrans can have their say in making the city we love even better.

IMPROVING YOUR LOCAL DOG PARK

If you use one of Canberra's six fenced dog parks, then we want to hear from you. We're seeking feedback from dog park users on what improvements could improve safety and convenience for the dogs and people who visit them.

There's not much time left to have your say so make sure you visit yoursay.act.gov.au today.

KEEPING VULNERABLE PEOPLE SAFE

If you're a coach, employee or volunteer in junior or disability sports, you need to hold a Working With Vulnerable People (WWVP) card.

Do you need to be registered? If you are not sure, take the online survey at act.gov.au/wwwptakethetest.

The WWVP Scheme is an important way to protect children and vulnerable members of our community.

There are three easy steps to apply for WWVP registration, and it's free for volunteers.

Students and locals are all invited to play up a storm on the new field and its other upgraded sportsgrounds.

The Melrose High School community uses the complex during school hours. Sporting associations and other groups can use the new and improved facilities on weekends and after school hours.

ONE MILLION SQUARE METRES OF SMOOTHER, SAFER ROADS

Resurfacing crews have been working hard to improve Canberra's roads, day and night. Over the last five months more than one million square metres of roads were resurfaced across the capital, including Drakeford Drive and the Tuggeranong Parkway.

Canberra's annual road resurfacing program protects and extends the life of our road system and improves safety.

A daily road resurfacing schedule is available at tccs.act.gov.au

CATCH A BUS TO THE AIRPORT

A new bus service now connects Canberra Airport to Civic. Bus route 11 operates every half hour on weekdays and every hour on weekends.

Save money by using your MyWay card on the service, or pay a cash fare to the driver when boarding.

GIVING THE GIFT OF LIFE

Thanks to the generosity of 20 organ donors and their families, 59 people received life saving organ transplants in the ACT last year.

More families agree to organ donation when their loved one is a registered donor. So it's important to have the conversation about organ donation with your family.

Local organisation Gift of Life Inc raises awareness about organ and tissue donation in Canberra. A recent funding boost from the ACT Government in 2017 will ensure it can continue its important work.

SUPPORTING FUTURE CAREERS

The future careers of eight Canberra students have been given a boost after being awarded an Aboriginal and Torres Strait Islander Student Scholarship.

Sarah Mills was awarded one for the high calibre of her school work, community involvement and her passion for learning.

The scholarships support year 11 and 12 students and help increase the number of Aboriginal and Torres Strait Islander professionals in the vocational education and training sector.

TRACK MOWING IN YOUR SUBURB

We know how important mowing of public spaces is to Canberrans, especially for those who love to get outdoors in our bush capital.

There's now an online map to track mowing across the city. The map shows where mowing has been done and which suburbs are next.

It can also alert you of any delays to the mowing schedule due to wet weather or high fire danger. The map is updated every week.

MEET YOUR 2017 CANBERRA CITIZEN

For 22 years, Alex Sloan has been telling the stories of Canberrans and supporting community organisations and charitable events. Alex is our Canberra Citizen of the Year for 2017.

Alex says she's loved being able to make meaningful connections with the city and the people who live here. "That's been my job - to connect with community. Canberra has grown and flourished in the 22 years I've been on air. I think I've been able to tell those stories and have those debates," she said.
