# ABOUT THE PROGRAM

## 1. PURPOSE

The purpose of the COVID-19 Business Support Grant program (**Program**) is to provide short term support for small to medium businesses operating primarily in the Australian Capital Territory (ACT) whose turnover has significantly declined as a result of public health measures in place since 12 August 2021 to respond to COVID-19.

## 2. FUNDING PARAMETERS

The ACT COVID-19 Business Support Grants will deliver support for employing businesses over the nine-week lockdown period where those businesses' turnover has declined by 30 per cent or more as a result of the COVID-19 public health measures.

Eligible businesses will receive a \$20,000 Business Support Grant payment for the period 12 August to 17 September. Businesses still significantly impacted by the health restrictions will also receive an additional \$20,000 Business Support Grant Extension payment for the period 18 September to 15 October.<sup>1</sup>

Larger businesses eligible for the Business Support Grant Extension payment will also receive an additional one-off top-up payment at the following rates:

- \$20,000 for businesses with annual turnover of greater than \$2 million and less than \$5 million
- \$40,000 for businesses with annual turnover of greater than \$5 million and less than \$10 million
- \$60,000 for businesses with annual turnover of greater than \$10 million.

Businesses in the Tourism, Accommodation Provider, Arts and Events, Hospitality and Fitness sectors will also receive an additional grant payment at the following rates:

- \$8,000 for businesses with annual turnover of less than \$2 million
- \$15,000 for businesses with annual turnover of greater than \$2 million and less than \$5 million
- \$25,000 for businesses with annual turnover of greater than \$5 million.

---

<sup>1</sup> Following changes to the Public Health Directions on 17 September 2021, the construction and real-estate sectors are no longer significantly impacted by the health restrictions.

Businesses can apply at any time and will not have to submit individual applications for each payment. The initial Business Support Grant payment will be made in a lump sum within 30 days (on average) of receiving a correctly lodged application. If we need to seek further or updated information from you to correctly assess your claim, this timeline will be reset. Note that we expect high initial demand and the timeframe may need to be extended.

The extension payments will be automatically applied for eligible businesses. If you have already applied for, or received, a Business Support Grant you will not need to re-apply.
