As the 2016 school year gets underway in Canberra, the growing Gungahlin community can look forward to getting two new schools in the coming years.

The new north Gungahlin suburb of Taylor will be home to a new primary school to be built by 2019. This new school will meet the educational needs of students in the suburbs of Moncrieff, Jacka and Taylor. When fully established it will cater for around 80 preschoolers and approximately 450 primary schoolers from kindergarten to year 6.

New high school facilities will also be constructed. A study will look into the timing and location of this school.

I hope you are all refreshed after the summer break. I’m sure, like me, you have a busy year ahead of you.

The ACT Government has a big agenda for 2016 including major investments in new health, education and transport infrastructure. We are targeting reductions in waiting times in our emergency departments and faster access to elective surgery. New schools and TAFE facilities are being constructed in Gungahlin, Tuggeranong and the Molonglo Valley. New roads, cyclepaths and footpaths are being built right across the city.

I look forward to updating you through future editions of Our Canberra.
