## MESSAGE FROM THE CHIEF MINISTER, ANDREW BARR

A dry winter has left Canberra with a significantly increased risk of bushfires this summer.

Our hardworking Emergency Services are reminding all Canberrans to prepare their home and discuss action plans with family, friends and neighbours. Trimming trees, mowing grass and removing flammable materials are simple tasks that can prepare your home for the summer.

This edition of *Our Canberra* has more information on how to be Bushfire Ready.

## IMPROVING CITY SPACES

Better and more attractive spaces are being built across the city centre.

Larger pedestrian areas, new seating, better lighting, a cycle path and outdoor dining areas outside the Sydney and Melbourne buildings are due to be completed by the end of this month.

New paving, landscaping and streetlights are also transforming sections of London Circuit and Akuna Street.

More improvements will soon begin on the Canberra Centre end of Akuna Street.

Upgrades are complete on Akuna Street.

# CANBERRA KIDS' SUMMER CHECKLIST

Nature Play CBR has a whole list of great activities to get families outside while learning, playing and connecting with nature. Some fun ideas include:

- > Discover the world at dusk. Head out for a walk with your family to Red Hill Nature Reserve.
- > Create a nature journal to record all the great things you find outside.
- > Make leaf boats and float them in a stream, creek or Lake Burley Griffin.
- > Make a nature craft decoration to hang from the Christmas tree.

# THANK YOU SCHOOL VOLUNTEERS

Thank you to more than 140 volunteers who have mentored Canberra kids across 42 ACT public schools in 2018, through the School Volunteer Program.

Rhona Gillespie volunteers at North Ainslie Primary School because she believes it takes a village to raise a child.

"Helping beginner readers improve their skills will in the future improve their lives," she said.

We will celebrate all Canberra volunteers on International Volunteer Day on 5 December.

# COMMUNITY SPOTLIGHT DICKSON

Local residents and businesses in Dickson are showing their community spirit by coming together to improve and celebrate their community.

They've created an independent "Town Team" to stage community events and organise improvements in the Dickson Group Centre.

The Town Team is a group of passionate supporters of the Dickson area. If you live or work in Dickson and would like to get involved, contact [jhay@mydickson.com.au](mailto:jhay@mydickson.com.au)

# HO HO OH NO

Accidents and illnesses can also happen over the holidays. Make sure you know where to go for help.

# CANBERRA BE BUSHFIRE READY

Canberra can expect a long hot summer ahead with an increased risk of bushfires. Right now is the time to prepare your home and discuss an action plan with your family. A written Bushfire Survival Plan saves lives and means decisions have been made ahead of any possible bushfire threat. **Download a plan today at [esa.act.gov.au](http://esa.act.gov.au)**

## FOUR SIMPLE STEPS TO CREATING YOUR BUSHFIRE SURVIVAL PLAN

### 1. DISCUSS

With your household what you will do in a bushfire.

### 2. PREPARE

A plan and your home for bushfire.

### 3. KNOW

The bushfire alert levels.

### 4. KEEP

Information, numbers, websites, and the App.

## DO YOU KNOW YOUR RISK?

Where you live is one of the things that determines if both you and your home are at risk of bushfire, and what kind of fire you might experience. Think about the area you live in:

### BUSH

If you live in an area that's close to or surrounded by bush, you're at risk. Bushfires can be hot, intense and throw burning embers towards your home.

### PADDOCKS

If you live on the outskirts of the city or near paddocks you're at risk. Fires can spread quickly over great distances.

### GRASSLANDS

If you live in an area where grasslands meet built up areas or homes, you're at risk. Grass fires can start easily and spread quickly.

### ON A HILL

If you live at the top of a hill, you're at risk. Fires travel uphill faster. For every 10 degrees of slope, the fire can double in speed.

## THE TOP 5 ACTIONS TO MAKE YOUR HOME SAFER

### 1. TRIM

Trim overhanging trees and shrubs. This can stop the fire spreading to your home.

### 2. MOW

Mow grass and remove the cuttings. Have a cleared area around your home.

### 3. REMOVE

Remove material that can burn (e.g. door mats, wood piles, leaves, paint, furniture).

### 4. CLEAR

To prevent embers setting alight clear and remove debris and leaves from gutters.

### 5. PREPARE

A sturdy hose or hoses that will reach all around your home. Have a reliable source of water.
