ANNUAL REPORT 2024-25

CORRIGENDUM

Presented by
Mr Chris Steel MLA
Minister for Planning and Sustainable Development
February 2026

CORRIGENDUM
ENVIRONMENT PLANNING AND SUSTAINABLE DEVELOPMENT DIRECTORATE
ANNUAL REPORT 2024-25

This corrigendum corrects the following errors in the Environment, Planning and Sustainable Development Directorate's 2024-25 Annual Report.

1) Planning and Sustainable Development Portfolio

- a) The actual material that has been corrected (section B2 Performance Analysis, on page 89, paragraph 2), with the corrections:

ACT Community, Sport and Recreation Facilities Needs Assessment

The directorate engaged SGS Economics and Planning to work with government to undertake an ACT Community, Sport and Recreation Facilities Needs Assessment, ~~which was completed in June 2025~~ will be completed in late 2025.

- b) The new correct material with reference to the page number(s)/sections of the original report that it replaces.

Under section B2 Performance Analysis, on page 89, omit paragraph 2 and replace with:

ACT Community, Sport and Recreation Facilities Needs Assessment

The directorate engaged SGS Economics and Planning to work with government to undertake an ACT Community, Sport and Recreation Facilities Needs Assessment, which will be completed in late 2025.

2) Climate Change, Environment, Energy and Water Portfolio

The investigation into Urban Expansion in the ACT (Close to the Edge) was initiated by the Commissioner of Sustainability and the Environment. There is no statutory obligation to provide a formal government response to Commissioner led investigations.

- a) The actual material that has been corrected (section B15 on page 186, paragraph 3), with the corrections:

Investigations

Close to the Edge – an investigation into the effects of urban expansion on the environment of the ACT was tabled in the Legislative Assembly on 15 May 2025. ~~The ACT Government will provide a formal response within 6 months of this date.~~

- 3) The new correct material with reference to the page number(s)/sections of the original report that it replaces.

Under section B15 on page 186, omit paragraph 3 and replace with:

Investigations

Close to the Edge – an investigation into the effects of urban expansion on the environment of the ACT was tabled in the Legislative Assembly on 15 May 2025.
