## MESSAGE FROM THE CHIEF MINISTER, ANDREW BARR

When the first flight from Singapore landed on a wet Canberra day a couple of months ago, our city changed for the better. We became a globally connected city.

Our young and vibrant city is growing up. We have reached 400,000 people and are growing at more than 5000 people a year. The ACT Government is investing in new city shaping infrastructure while making sure we keep the Canberra we love. Whether it be the new light rail, better healthcare and mental health services or investments in the future of education, Canberra is set for its next exciting phase.

It's been a big year in the ACT and as 2016 draws to a close, I'd like to wish all Canberrans a very Merry Christmas and may 2017 be a happy and prosperous New Year.
