

ACTCS Strategic Priorities 2025-27

(Mapped against the JACS Strategic Plan 2024-27 Objectives)

With new leadership, ACT Corrective Services (ACTCS) is re-focusing on our core legislative responsibilities in relation to correctional practice and human rights. Over the next two years, from July 2025 to 2027, ACTCS is prioritising foundation elements that underpin quality service delivery and will be implemented through aligned activities in ACTCS business planning. These priorities will also support realising the objectives of the JACS Strategic Plan 2024-27 over the next two years.
