SHARED ZONE at DICKSON PLACE

Drivers must
give way to
pedestrians at
all times.

Dickson Place is now safer for pedestrians due to a new shared zone.

This means the road space is shared safely by vehicles and pedestrians.

Pedestrians and cyclists have right of way and motorists are required to travel at 10 km/h. Drivers must give way to pedestrians at all times.

New signage has been installed to accompany the raised pavement already in the area.

MESSAGE FROM THE CHIEF MINISTER, ANDREW BARR

It's important we continue to create opportunities for locals as our city grows.

Last year, more than 10,000 new jobs were created in Canberra, the most in a decade. These jobs are in sectors that fit our strengths as a city – in education and training, health care, the energy sector and IT – and most are full-time positions. There are now around 230,000 jobs in Canberra's economy.

JOB GROWTH IN THE ACT THOROUGHOUT 2017

ACTIVE A STREETS are SAFE STREETS

Several new initiatives are helping to make getting to and from school safer for Canberra kids.

LOOK FOR THE CROSSING SUPERVISOR

20 new crossing supervisors will help children to cross roads safely and improve traffic flow. As you approach school crossings, remember to stop when instructed by a supervisor or when children are on the crossing.

FOLLOW THE BLUE STENCILS

Blue stencils can be found on footpaths leading up to more than 20 participating schools across Canberra. These stencils guide students and give parents peace of mind that the route is safe and has minimal road crossings.

For more information on participating schools as well as maps, guides and tips visit transport.act.gov.au

CHROMEBOOKS for PUBLIC HIGH SCHOOL STUDENTS

Every public high school student in years 7-11 across Canberra has received a new Chromebook to start the school year.

Access to technology is important. This device will give students the chance to participate in technology-based learning regardless of their family circumstances.

A SMILE for the RIGHT SPEED

Deakin will be the first suburb in Central Canberra to have speed detecting signs installed over the coming months.

If you are going the speed limit or below a smiley face will appear. If you are over the speed limit a slowdown message will appear.

on LOCAL PROJECTS

Two projects in central Canberra are waiting for your input and feedback.

- > Do you support the redevelopment of Canberra Technology Park as a higher education and community precinct?
- > How can Section 72 in Dickson (between the Dickson pool and the Majura playing fields on Antill Street) be improved for the community?

MORE AMBULANCE OFFICERS for CENTRAL CANBERRA

Two new ambulances and 11 paramedics will hit Canberra's frontline this year.

These additional resources will help ease pressure on the ACT Ambulance Service, which has continued to deliver the best response times in the nation, despite a 25% increase in demand since 2012-13.

THANK YOU to our LIBRARY VOLUNTEERS

Fran Black (pictured), from Campbell, along with fellow library volunteers, has been recognised for delivering a range of services across the Canberra community.

"It has been a good experience for me as I have met so many people, most of whom have great motivation to learn English. However it has also been very positive for me as I have learnt so much about myself both in teaching and being human."

NEW PRINCIPAL for AINSLIE PRIMARY

Over 200 new educators were welcomed into the ACT public school system in 2018.

"I love the role I play in enabling people to be empowered. That involves empowering young learners and grown up learners to be great, informed, creative and active citizens."
