

Nursing and Midwifery Professional Development Scholarship

GUIDELINES

Purpose

ACT Health Directorate promotes a learning culture through the provision of the Nursing and Midwifery Scholarship Scheme to enhance the ongoing professional development and skill levels of staff across the organisation.

Professional Development Scholarships may be awarded to cover program costs, such as conference attendance, course participation or an innovation project.

Implementation of innovation projects that that will drive improvements in areas of the ACT public health system are encouraged. Nurses and midwives are at the forefront of healthcare delivery and are in the best position to drive innovation and excellence in care. The aim of supporting innovation projects is to:

- enhance nursing and midwifery to provide high quality, appropriate, safe services,
- support care that is coordinated and responsive to individual needs,
- enhance cultures of staff wellbeing to support nursing and midwifery practice and improve service delivery and patient care, and
- apply new models of care and approaches, to strengthen nursing and midwifery practice.

Eligibility

To be eligible for an ACT Health Nursing and Midwifery Professional Development Scholarship, applicants must:

- a) be employed by ACT Public Health Services in a permanent nursing/midwifery position for a minimum of two (2) years prior to their scholarship application,
- b) Tresillian applicants must have an ongoing contract of at least 12 months
- c) declare if funding from another source has, or intends to be, received for the professional development program,
- d) complete and submit an online application.

Allocation of Funds

ACT Health Directorate has complete discretion to determine distribution of funds awarded to successful applicants. The availability of funding is dependent upon the funding allocation.

Appendix A will be used to prioritise applications

An amount of up to \$3,000 may be awarded to cover program costs, such as conference attendance, course participation or an innovation project.

Scholarships for international study are not supported through this Scheme.

Applications

Scholarship applications must:

- include the requested supporting documents and the completed Supervisor Recommendation form,
- include email addresses for the applicant's Director of Nursing/Midwifery (DON/M) and Executive Director of Nursing/Midwifery (EDON/M) to obtain endorsement. Please ensure these email addresses are **correct** as the application will automatically be sent to the DON/M and EDON/M for endorsement.

If the applicant is not supported by the DON/M and/or EDON/M they will receive an email advising that their application will not be progressed.

The Nursing and Midwifery Office is not responsible for incomplete endorsements and applications.

Assessment of Applications

Each endorsed application will be reviewed by the Nursing and Midwifery Scholarships Team to ensure it is complete and assessed on merit according to the ranking table (Appendix A). Applicants will be advised in writing of the outcome of their scholarship application. Decisions are final and no further correspondence will be entered in to.
