OUR CANBERRA

TUGGERANONG EDITION

JANUARY/FEBRUARY 2016

HAS NEVER LOOKED **SO GOOD**

One of Tuggeranong's **busiest bus stations** has had a revamp and is now ready for passengers.

To keep up with growing demand and usage in the area, **bus stops and passenger facilities** on each side of Comrie Street have been **upgraded to reflect the importance of Erindale as a major hub** in the Tuggeranong Valley. These upgrade improvements include new paving, more space for buses to arrive, more comfortable seating, new bike racks, street lighting, improved shelter, and new landscaping and art works.

Buses to Woden depart every 12 minutes Monday to Friday between 7am and 7pm. On weekends, the station offers connections to high frequency Blue Rapid services for travel across metropolitan Canberra.

Improving infrastructure such as the Erindale bus station is key to **making** Canberra a more accessible and sustainable city.

THE PLAN FOR STROMLO FOREST PARK

There's a new vision for **Stromlo Forest Park**. Now's your chance to contribute your thoughts and ideas on the park's future.

The plan is to create a vibrant and diverse sport and recreation precinct. A newly released master plan for Stromlo outlines the details for a pool, enclosed oval, district playing fields, tourist accommodation, a road cycling circuit and equestrian trails.

MESSAGE FROM THE CHIEF MINISTER, ANDREW BARR

I hope you are all refreshed after the summer break. I'm sure, like me, you have a busy year ahead of you.

The ACT Government has a big agenda for 2016 including major investments in new health, education and transport infrastructure. We are targeting reductions in waiting times in our emergency departments and faster access to elective surgery. New schools and TAFE facilities are being constructed in Gungahlin, Tuggeranong and the Molonglo Valley. New roads, cyclepaths and footpaths are being built right across the city.

I look forward to updating you through future editions of **Our Canberra**.
